

REPORT OFFICIAL COUNT OF SEPTEMBER PRIMARY LAUNCH CHEST DRIVE

Return Judges Complete Count Of Votes Cast

Official Totals For Different
Candidates At Primary
Are Announced

WIMER 10 AHEAD
FOR CONTROLLER

Attorney Roy W. Hazen For
School Board; T. A. Gil-
key County Surveyor

Return judges counting the vote cast at the recent primaries completed their work today and announced the final totals. Chief interest in the count centered on the vote for city controller, which was very close, between Earl R. Wimer and Robert M. Strickler. The official totals show Wimer received a total of 1,998 and Strickler 1,988. Another close contest as shown by the official returns was that for school director in this city. After the primary it was unofficially shown that Mrs. Juanita Brenner had won by a few votes, but the official count showed that an error had been made in the figures given for the seventh precinct of the second ward. This changed the result and gave the nomination to Attorney Roy W. Hazen by six votes. The total vote for Mrs. Brenner was 4,696 and for Hazen 4,702.

Work of the return judges has been greatly delayed by the opening of ballot boxes, and the many names which had been written in for county surveyor and for various township officers. More than 100 persons were voted for as county surveyor. Civil Engineer T. A. Gilkey is the winner with 79 votes to his credit. Alex Main of Ellwood City was a close second with 77 votes. There is no salary attached to the job and nobody has discovered just what the duties of the county surveyor are supposed to be.

The job was the "joke" of the

PA NEW OBSERVES

Persons who love to see nature in the wild should pay a visit to Cascade Park, Gaston park, the Narrows or meander through Cascade boulevard. They are a few of the best natural beauty spots hereabouts.

It is possible that council may make some provision for new street signs on some thoroughfares when they make up the 1934 budget. Some of the signs have been obliterated by weather. No new signs have been erected for several years.

Frost during the night, was followed by rain this morning. No serious damage is believed to have been done, and late crops will have a few more days of life, until a killing frost occurs.

E. E. Hague of Neshannock avenue, has on display at The News office a tomato of very curious formation, which he grew in his own garden. Rather it is five tomatoes in one and none of them very large. The smallest is about the size of a large pea and the others run to the size of an egg. While the indications are that all were originally separate, they are all united in one, although retaining their original form.

MINISTER IS SPEAKER

The Rev. C. S. Joshua, pastor of the Croton M. E. church, spoke at this morning's pep chapel of senior high school students. The assembly created enthusiasm for tonight's New Castle-Washington game.

Merchants Plan "Buy Now" Event

Arrangements Will Be Com-
pleted At Meeting To Be
Held Next Week

At a meeting of the executive committee of the retail merchants division of the Chamber of Commerce, a huge three-day buying campaign, which will take place the last of this month, was projected.

Final plans for the event will be made at a general meeting of merchants of the city, which will occur Wednesday morning, October 18, at 9:30 in the Chamber of Commerce rooms.

This big sales event follows out the recent suggestion of the NRA that merchants and the public carry out a "buy now" movement to further stimulate business all over the country. The public is urged to buy everything that they possibly can now, while prices are under government limitations, as a means of furthering employment.

Detailed plans will be discussed and definite dates for the campaign set at the meeting next week. The tentative dates suggested are October 26, 27 and 28.

Deputy Internal Revenue Col-
lector Is Named For
District

Paul B. McCandless, 365 East North street, was sworn in today in the office of David L. Lawrence, internal revenue collector, Pittsburgh, as a deputy internal revenue collector for this district. Mr. McCandless succeeds Marion S. Woods, who was dropped from service some weeks ago.

Mr. McCandless is the son of the late Robert W. and Anna R. McCandless. He is a graduate of the New Castle Business College and of the Dana Institute of Music in Warren, O. He has been in the musical instrument business for many years and is an accomplished musician.

Since the removal of Mr. Woods the post has been vacant in Lawrence county. Mr. McCandless takes up his duties immediately, but has not yet announced where his offices will be located.

Kelly Will Probably Be Transferred Today; Plan Secret Removal

(International News Service)
OKLAHOMA CITY, Okla., Oct. 13.—Shackled hand and foot and guarded by eight men carrying machine guns and rifles, George R. ("Machine Gun") Kelly, convicted kidnaper, was taken to the federal penitentiary at Leavenworth in a specially armored car.

Kelly and his eight armed guards were the only passengers in the armored coach.

OKLAHOMA CITY, Okla., Oct. 13.—Secret preparations were under way today to transfer George ("Machine Gun") Kelly from the county jail to one of the federal penitentiaries—believed to be Atlanta—where he will begin serving his life term for the \$200,000 abduction of Charles F. Urschel, oil millionaire.

Kelly's departure was reported imminent. He was expected to be in a federal prison within 24 hours. He probably will be taken there by airplane.

To Separate Pair

His wife, Kathryn, also convicted and sentenced to life imprisonment, will be removed from the jail in the near future. It is believed she will be sent to a federal penitentiary in Cincinnati.

Of the four who were given life sentences in the first Urschel trial, two are now in a federal penitentiary. They are the notorious desperadoes, Harvey Bailey and Albert Bates, both of whom are in Leavenworth. The other two—Mr. and Mrs. R. G. Shannon—are still in the county jail here.

The two St. Paul defendants, Edward (Barney) Berman and Clifford Skelly, convicted of having passed some of the prison money and sentenced to five years in the federal penitentiary, are at liberty.

"Khaki Shirts" Hunting Smith And Their Funds

Disillusioned Radicals At Philadelphia Hope To Find "Leader"

(International News Service)
PHILADELPHIA, Oct. 13.—Disillusioned but wiser, members of the Khaki Shirts of America today swore vengeance as they joined police in efforts to apprehend their missing commander-in-chief, Art J. Smith, who fled with the organization's treasury variously estimated as between \$15,000 and \$25,000.

Meanwhile, 27 of the duped Khaki Shirts languished in jail on an assortment of charges after police frustrated the Alice-In-Wonderland plot of their leader to raid the National Guard armories here after crippling power plants and, seizing weapons and ammunition, to march on Washington and proclaim President Roosevelt "dictator."

Police as far away as Cuba and Canada were asked to be on the lookout for Smith, who fled with his comely wife in a newly purchased high-priced car when police raided "forts" of the Khaki Shirts.

May Force Movie Stars To Accept Salary Reductions

(International News Service)
WASHINGTON, Oct. 13.—Recovery Administrator Hugh S. Johnson revealed today that he is seeking a way to force salary reductions of motion picture executives and directors in the code he is now writing for the industry.

In addition, he is considering provisions for the code which would prevent rival producers from "capitalizing on the investment" other producers make in building up the reputation of film stars for box office purposes.

Thanksgiving Date Unchanged

(International News Service)
WASHINGTON, Oct. 13.—President Roosevelt has denied the request of a number of merchants to advance Thanksgiving Day one week to provide more time for retail sales efforts between the holiday and Christmas.

Mr. Roosevelt explained such a change would involve great confusion as many states fixed the date for Thanksgiving Day in their constitution.

OTTAWA, O., Oct. 13.—One man taken into custody here today for questioning in connection with the fatal shooting of Sheriff Jess L. Sarber and the release of John Dillinger, 30-year-old bank robber, from the Allen county jail at Lima last night.

The man taken into custody, Sheriff Wilson Crawford, announced, was Fred Pierpont, a farmer living near Leipsic, who is a brother of Harry Pierpont, one of the convicts who escaped from the Michigan City, Ind., prison last Sept. 26.

The man taken into custody, Sheriff Wilson Crawford, announced, was Fred Pierpont, a farmer living near Leipsic, who is a brother of Harry Pierpont, one of the convicts who escaped from the Michigan City, Ind., prison last Sept. 26.

Four Escape

The gunmen, along with Dillinger, who was being held in the county jail here to face charges in connection with the robbery of a bank at Bluffton, O., escaped without being sighted, leaving officials no clue as to which way they made their getaway.

Police and county officials throughout Ohio and particularly the central section of the state, were notified to be on the lookout for the gunmen. Before lapsing into unconsciousness last night, Sheriff Sarber declared to attendants that he had recognized one of the bandits as "Harry Copeland," who he said was one of the 10 convicts who escaped from the Michigan City, Ind., prison last Sept. 26.

Nearly 1000 Volunteers
Gather At Cathedral For
Meeting Last Night

FIRST REPORTS TO BE MADE MONDAY

Part Of Workers Present At
First Meeting Subscribe
Over \$10,000

Community Chest appeals were being carried into New Castle's stores, plants, offices, schools and to the homes this afternoon as the volunteer army of 1000 team workers, impressed by the "let's win" challenge of their leaders last night, strove to subscribe the greater part of the \$70,000 goal which has been pronounced imperative for the operation of eight chest agencies during the coming year.

At the Cathedral last night, where the scores of campaign teams assembled for an opening dinner, about half of the 1,000 solicitors pledged a sum of \$10,523 as their own contribution to the cause. The remaining half was not scheduled to pledge last night.

Drifting toward an objective which would wind up the campaign in one whirl of glory next Monday night, the energetic teams, functioning under about 14 secretary divisions, will make the best of the extra-long week end lap in the hopes of closing the canvass at the first report meeting.

Leaders, however, while confident that much of the goal may be reported on Monday, said the campaigning would continue into Tuesday if the \$70,000 has not been subscribed the first night.

Meeting Opens

General Chairman Fred L. Rentz presided last night as the city-wide campaign, an annual occurrence, opened.

With Mr. Rentz was Bert Wells, former New Castle resident who returned to direct the Community Chest forces. Wells gave detailed instructions as to campaign procedure last night.

Opening the dinner-rally, General Chairman Rentz, who sat at the head of a speakers' table where Chest leaders sat, reminded the (Continued On Page Two)

NAVAL BOARD HAS INQUIRY

(International News Service)
SAN PEDRO, Cal., Oct. 13.—An ammunition explosion on the light cruiser U. S. S. Cincinnati off San Pedro killed one man and injured at least two others, authorities revealed today.

The mishap occurred during night spotting practice.

Ovander C. Allen, seaman, son of Mrs. Della Allen, Irvington, Ky., was killed. Ensign D. A. Stuart and Seaman F. L. Austin either jumped or were blown into the ocean. They were rescued and were expected to recover from their burns. All were members of the ship's forward double six-inch gun crews.

Allen's body was not recovered. A naval court of inquiry was scheduled today.

Mrs. William Tanner of 910 Beckford street, who has been seriously ill for the past two weeks, is reported to be slowly improving.

You Must Keep Blue Eagle Is Johnson's Order

Merchants Are Not Able To
Just Hand Them Back In
Voluntary Surrender

(International News Service)
WASHINGTON, Oct. 13.—Nobody has the right to hand back his blue eagle, for any reason except going completely out of business, Recovery Administrator Hugh S. Johnson today notified all local NRA compliance boards.

His notice read:

"There have been a number of stories in the newspapers in scattered sections telling of a few people who obtained the blue eagle by signing the president's reemployment agreement and who have 'voluntarily surrendered' the blue eagle.

No Surrender

"There is no such thing as a voluntary surrender of the blue eagle. In the event of a member failing to comply with the obligations he assumed when he signed, the NRA may deprive him of the use of the insignia."

"When a member accepted the president's agreement he pledged himself until Dec. 31, 1933, to do everything in his power to cooperate with the president in his recovery program. The local compliance boards will deal with such cases."

SEN. DAVIS ACQUITTED ON LOTTERY CHARGES

Verdict Gives Davis Freedom

Jury Deliberates For Three Hours And Half On Thursday Afternoon

TRIAL OF CASE LASTED MONTH

(International News Service)
NEW YORK, Oct. 13.—Acquitted of charges of violating the federal anti-lottery laws to the cheers of a packed federal court room, U. S. Senator James J. Davis (R. of Pennsylvania, today was enroute to Washington to address the American Federation of Labor convention.

Davis, director-general of the Loyal Order of Moose, and Theodore G. Miller, head of the propaganda department of the order, were freed on the lottery charges by a jury in United States district court which deliberated three hours and five minutes after a trial lasting nearly a month.

The white-haired senator and former secretary of labor wept openly when the jury came in with its verdict.

Then, turning to Miller, he clasped the hands of his fellow-officials and hurried to thank the jurors for their decision.

"I offered my thanks to God when the verdict came in," Davis said as he left court. "I never lost my faith because I knew I was innocent."

The government claimed, during the trial, that Davis controlled the Moose organization department and prize drawings conducted by the order in 1931 which the prosecution claimed were really lotteries.

GUNMEN SLAY OHIO SHERIFF IN JAIL DELIVERY

(Continued From Page One)

Sheriff Barber, who was alone at the time, that they had come "to get Dillinger" when the sheriff demanded to see the credentials of his visitors, one of them, the leader, drew a revolver and replied:

"These are all the credentials we need."

Sheriff Barber started to reach for his revolver in his desk drawer, but as he did so, the bandit leader without warning fired point blank. The bullet struck Barber in the abdomen.

Attracted by the shooting, Mrs. Barber, wife of the sheriff, and deputy Wilbert Sharpe rushed into the office. They were met by the gunmen, overpowered and forced into a jail cell. Then, the gunmen went to Dillinger's cell and opened it with the keys they had taken from the body of the sheriff.

Although Sheriff Barber had asserted a short time before his death that he had recognized one of the gunmen as "Harry Copeland," an escaped convict from the Michigan City, Ind., prison, Indiana state police reported that no one by that name was among the convicts who broke out of the prison Sept. 26.

Police recalled, however, that Dillinger had been suspected, while being held by Dayton police recently following his capture, of having aided in the Indiana prison break. At the time of Dillinger's capture in Dayton, police seized a note which was said to have diagrammed details of the escape plot.

Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons?

The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right liquid laxative brings a perfect movement, and there is no discomfort at the time, or after.

The wrong cathartic may keep you constipated as long as you keep on using it! And the habitual use of irritating salts, or of powerful drugs in the highly concentrated form of pills and tablets may prove injurious.

A week with a properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin will tell you a lot. A few weeks' time, and your bowels can be "as regular as clockwork."

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given to the youngest child. Member N. R. A.

HUGE ARMY OF CHEST WORKERS LAUNCHES DRIVE TO GET \$70,000

(Continued From Page One)

crowd that, on the October 12 of 441 years ago, Columbus discovered America. "I only wish Columbus could see this crowd tonight," said he.

Mr. Rentz stressed the importance of a victorious Chest campaign this year and called upon everyone to display a different civic spirit as this drive continues.

"Only one thing do I want to impress on this group of workers," the drive's leader vigorously asserted, "and that is that this drive must go over."

Calling attention to the successful Chest campaigns which the Wells organization has just closed at various places throughout the country, in towns smaller than New Castle, Mr. Rentz said that "we cannot afford to allow this campaign to fail."

Optimism pervaded the vast Cathedral dining room as the speakers, one after another, voiced their beliefs that the \$70,000 would be subscribed this year. It was recalled that never before has a mass organization of 1,000 workers functioned in any campaign here.

Director Wells called to the speakers' stand by General Chairman Rentz and after he had closed his opening message.

"Your most serious thought and effort," began Mr. Wells, "must be directed toward this campaign if it is to be crowned with success. And one of the prime requisites of a campaigner is to be present for all dinners."

For several minutes Mr. Wells devoted his attention to a more detailed explanation of campaign procedure, most of which, however, had been prepared on typewritten forms and laid at each place along the rows of 20 tables.

Mr. Wells told the audience that the Industrial division of the campaign, to be headed by R. W. Rowland, would confine its soliciting to the industrial plants of the city. The "payroll reduction" plan, by which workmen may contribute their pledges in monthly installments, was described.

Must Increase Giving
"New Castle giving to the Community Chest must increase," said the campaign director, "if it is going to resound to the credit of the city." Wells recalled that \$100,000 budgets were often raised in former years.

Chairman R. W. Rowland of the Industrial division, asked to speak to the audience, reminded all that New Castle payrolls have increased within the year and said that it should be reflected in Chest pledges.

The Industrial division men, comprising almost 600 of the 1,000 workers, sat in a special section. It was that group which did not make its Chest pledge last night.

General Chairman Rentz at different times called upon division leaders or citizens prominent in community life. He also announced to the workers the receipt of "a subscription from John G. Nothdurft, a good friend of mine who has been ill at his home." The crowd applauded that announcement.

Mrs. Johnson Speaks
Mrs. Grace Phillips Johnson, president of the Chest organization, told the workers that "never have I seen a more rosy opportunity for this Community Chest to go over." Mrs. Johnson said that she has been a participant in many previous campaigns.

Dr. C. C. Green, superintendent of schools, assured the audience that his force of 45 teacher-workers, and the entire school system, would be 100 percent behind the campaign as they go out. He cited the need for New Castle people to be more "community conscious" in its Chest drives.

The school head announced that the board of education, at a meeting of Wednesday, authorized solicitation among the school children. They will be asked to contribute what they want to in their classrooms.

As the campaign itself was well under way, General Chairman Rentz asked division heads for the reports on their own workers' pledges. These were tallied on the huge Chest score-board.

With this act over, the Rev. Clifford S. Joshua, pastor of the Croton M. E. church and president of the city's ministerial association, offered a closing prayer in which he asked God to give the campaigners success in their solicitation for the "cause of human uplift."

During the entire dinner program, a band, composed of local musicians, played.

The Monday night report dinner will open at 6:30 o'clock.

THAT'S ALL RIGHT
Movie Director: "Now, here is where you jump off the cliff. Actor: "Yeah, but suppose I get injured or killed?" Director: "Oh, that's all right. It's the last scene in the picture."

Still, a rich man might have friends if he didn't suspect everybody of having designs on his bank roll.

Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons?

The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right liquid laxative brings a perfect movement, and there is no discomfort at the time, or after.

The wrong cathartic may keep you constipated as long as you keep on using it! And the habitual use of irritating salts, or of powerful drugs in the highly concentrated form of pills and tablets may prove injurious.

A week with a properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin will tell you a lot. A few weeks' time, and your bowels can be "as regular as clockwork."

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given to the youngest child. Member N. R. A.

HUGE ARMY OF CHEST WORKERS LAUNCHES DRIVE TO GET \$70,000

(Continued From Page One)

crowd that, on the October 12 of 441 years ago, Columbus discovered America. "I only wish Columbus could see this crowd tonight," said he.

Mr. Rentz stressed the importance of a victorious Chest campaign this year and called upon everyone to display a different civic spirit as this drive continues.

"Only one thing do I want to impress on this group of workers," the drive's leader vigorously asserted, "and that is that this drive must go over."

Calling attention to the successful Chest campaigns which the Wells organization has just closed at various places throughout the country, in towns smaller than New Castle, Mr. Rentz said that "we cannot afford to allow this campaign to fail."

Optimism pervaded the vast Cathedral dining room as the speakers, one after another, voiced their beliefs that the \$70,000 would be subscribed this year. It was recalled that never before has a mass organization of 1,000 workers functioned in any campaign here.

Director Wells called to the speakers' stand by General Chairman Rentz and after he had closed his opening message.

"Your most serious thought and effort," began Mr. Wells, "must be directed toward this campaign if it is to be crowned with success. And one of the prime requisites of a campaigner is to be present for all dinners."

For several minutes Mr. Wells devoted his attention to a more detailed explanation of campaign procedure, most of which, however, had been prepared on typewritten forms and laid at each place along the rows of 20 tables.

Mr. Wells told the audience that the Industrial division of the campaign, to be headed by R. W. Rowland, would confine its soliciting to the industrial plants of the city. The "payroll reduction" plan, by which workmen may contribute their pledges in monthly installments, was described.

Must Increase Giving
"New Castle giving to the Community Chest must increase," said the campaign director, "if it is going to resound to the credit of the city." Wells recalled that \$100,000 budgets were often raised in former years.

Chairman R. W. Rowland of the Industrial division, asked to speak to the audience, reminded all that New Castle payrolls have increased within the year and said that it should be reflected in Chest pledges.

The Industrial division men, comprising almost 600 of the 1,000 workers, sat in a special section. It was that group which did not make its Chest pledge last night.

General Chairman Rentz at different times called upon division leaders or citizens prominent in community life. He also announced to the workers the receipt of "a subscription from John G. Nothdurft, a good friend of mine who has been ill at his home." The crowd applauded that announcement.

Mrs. Johnson Speaks
Mrs. Grace Phillips Johnson, president of the Chest organization, told the workers that "never have I seen a more rosy opportunity for this Community Chest to go over." Mrs. Johnson said that she has been a participant in many previous campaigns.

Dr. C. C. Green, superintendent of schools, assured the audience that his force of 45 teacher-workers, and the entire school system, would be 100 percent behind the campaign as they go out. He cited the need for New Castle people to be more "community conscious" in its Chest drives.

The school head announced that the board of education, at a meeting of Wednesday, authorized solicitation among the school children. They will be asked to contribute what they want to in their classrooms.

As the campaign itself was well under way, General Chairman Rentz asked division heads for the reports on their own workers' pledges. These were tallied on the huge Chest score-board.

With this act over, the Rev. Clifford S. Joshua, pastor of the Croton M. E. church and president of the city's ministerial association, offered a closing prayer in which he asked God to give the campaigners success in their solicitation for the "cause of human uplift."

During the entire dinner program, a band, composed of local musicians, played.

The Monday night report dinner will open at 6:30 o'clock.

THAT'S ALL RIGHT
Movie Director: "Now, here is where you jump off the cliff. Actor: "Yeah, but suppose I get injured or killed?" Director: "Oh, that's all right. It's the last scene in the picture."

Still, a rich man might have friends if he didn't suspect everybody of having designs on his bank roll.

READING CIRCLE '06 OPENS FALL SEASON

The cheerful Green Room of the Y. W. C. A. was a beehive of activity Thursday afternoon when ladies of the Reading Circle of '06 met for their opening of the Fall and Winter seasons. Exchanging stories of the summer was the entertainment followed with the serving of a delicious luncheon at 1 o'clock. Autumnal tones prevailed in the appointments.

At the conclusion of the feature the committee in charge comprised of Mrs. C. N. Lockhart, Mrs. J. H. Greiner and Mrs. F. W. Hutchinson, took the members to the Shenango Pottery for a tour of inspection. This was most interesting, each detail of the plant being explained by one of authority.

The regular meeting of the circle will be held on October 26 at the home of Mrs. P. D. Gemmil, R. D. 7, New Castle.

L. A. B. Club Guests.

A most enjoyable event for the L. A. B. club members was the 1 o'clock dinner held Thursday afternoon in the home of Mrs. Anna B. McClymonds in Edinburg. Three car loads of guests left New Castle to participate.

A delicious menu was served by the hostess, assisted by Mrs. Fred Book, Mrs. Paul McClymonds, Mrs. Charles Covert, Mrs. J. W. Sweet and Mrs. I. A. Taylor. A short business period followed.

Cards formed the diversion during the balance of the afternoon, prizes being presented to Mrs. Wilbur Jones and Mrs. Charles Covert.

A masquerade was planned for Thursday, October 19, in the home of Mrs. John Shaffer on Cunningham avenue, marking their next gathering.

Saerema Club.

The members of the Saerema club were delightfully entertained on Wednesday evening when they met at the home of Miss Mary Ronan on W. Madison avenue.

Cards and music whiled away the evening hours, and prizes for high scores went to Mrs. Thomas J. Stinson, Jr., and Miss Eleanor Thomas. Later in the evening the guests were invited to the dining room where a delicious repast was served by the hostess assisted by her sister, Henrietta Ronan.

The club will meet again in two weeks at the home of Mrs. Thomas J. Stinson, Jr., on Fulkerson street.

HANNAH KULKIN TO WED IN NEW YORK

This evening, Mr. and Mrs. H. Kulklin, and son Jacob of 430 Boyles avenue will leave for New York to be present at the wedding of the daughter, Miss Hanna H. Kulklin, to Nathaniel Rose, of that city.

The ceremony will take place Sunday, October 15 in the spacious ball room of the apartment located at 1520 Sheridan avenue, at 5 o'clock.

Miss Kulklin will be attended by her sister Mrs. Sam Rose and the groom will be served as best man by David Rothenberg, an intimate friend.

A reception will follow and later the couple will leave on a wedding trip to Atlantic City. Upon their return they will make their residence at 1520 Sheridan avenue, New York City.

Birthday Honored

A group of friends invaded the home of Guy Lutz on Beckford St. Thursday evening when they gathered to celebrate his birthday anniversary taking him by complete surprise. Music, cards and other forms of pastimes were in vogue. Prizes for the evening went to Dal Thompson, Dick O'Brien, Elmer Book, Dale Mullen and Linden Bruce.

At a late hour lunch was served by Mrs. Guy Lutz assisted by Ada Refner, Mrs. Nancy Refner and Leonard Black.

Those in attendance were Fred McClure, Frank Perry, Paul Refner, Billy Payne, Claire Smith, Clair Lutz, Linden Bruce, Elmer Book, Dal Thompson, Henry Mortimer, Dale Mullen, Dick O'Brien, Leonard Black, Ada Refner, Mrs. Jennie Lutz, Mrs. Nancy Refner and the honored one Mr. Lutz who was remembered with a collection of handsome gifts.

West Side Club.

Mrs. Mary Geddis of Huron avenue was a very pleasing hostess on Thursday evening to members of the West Side club when she entertained informally at cards. Tables of 500 filled in the hours, lovely prizes for honors being awarded to Mrs. Festus Flynn, Miss Elizabeth Mitchell and Mrs. Robert Guinagh.

When this had been completed, adjournment was called and plans for their next meeting in two weeks will be announced.

MRS. S. D. PEARSON APPOINTED DIRECTOR

At the sessions of the federation convention being held in the William Penn hotel this week at Pittsburgh, Mrs. Richard G. Hamilton, state president, named Mrs. S. D. Pearson, this city, and president of the Lawrence County Federation of Women's clubs, as the new state director of the southwestern district.

Mrs. Pearson has been attending the convention sessions throughout the week and it is expected she will have some interesting reports to make on her return home.

Other directors appointed were Mrs. Frank Kaiser of the northern division, Mrs. Bertram Hervey of the southeastern, Mrs. Reed Gracey of the central and Mrs. Spencer Gordon of the northwestern division.

Berkmah Club.

Mrs. Vern Carr carried out a color scheme of rose and white Wednesday evening when she received the members of the Berkmah club in her home for a period of bridge.

Mrs. Charles Anderson of Brooklyn, N. Y., Mrs. Dorothy Herzog and Mrs. Thomas Edmonds were special guests.

When cards were concluded prizes were awarded Anne Eagan and Betty Conley of the club and the guest prize went to Mrs. Anderson.

The hostess, a bride of recent date, was presented with a lovely wedding gift. Refreshments were served at a large table in the dining room, prettily decorated in keeping with the party.

J. G. T. Club Organized.

Last evening in the home of Miss Austrid Nelson on Milton street a group of Bell Telephone girls, who have been gathering regularly for a social time, organized into a club which will now be identified as the J. G. T. club, comprised of 16 members.

A short business period was held and following, cards were played, the prize going to Lillian Widel. In bingo, another feature, Mary Patterson was the winner.

In serving a dainty lunch the hostess was assisted by her mother, Mrs. K. Nelson, and Miss Patterson. In two weeks Mrs. Vida Badger of 12½ Raymond street will entertain.

On Wimodausis Program

On Wednesday afternoon at the session of the Wimodausis Club held in the Cathedral appeared as a feature on their special program Miss Lillian Dietterle who favored the guests with a reading entitled: "Quiet Jane," and responded to an encore.

The event opened with the serving of luncheon to fifty six women and closed with the entertainment in charge of Mrs. H. W. French and Mrs. Robert Garraway. Hostesses were Mrs. J. M. Wallace and Mrs. S. S. Sampson.

Spinsters Club

The Spinsters Club met last evening at the home of Miss Weitha Johnston, Ray street and enjoyed a period of dancing and chat. The hostess served tasty refreshments near the close of the evening. Plans were made for a Halloween party at the home of Miss Esther Trent, Cunningham avenue, October 30.

HIGHLAND BOOK MEMBERS GUESTS

Mrs. W. A. Stritmatter of Lincoln avenue entertained the Highland Book Club members in her home Thursday afternoon at a 1 o'clock luncheon. Following the serving of the menu consisting of very tasty dishes, the members called a short business session.

Tables of bridge filled in the time following, and plans for their next meeting were completed. Mrs. Frank Butz will be hostess in two weeks.

BESTYETTE BRIDGE CLUB ENTERTAINED

Mrs. Ned Chapman of Highland avenue was hostess Thursday evening to the Bestyette Bridge club members in her home. Cards formed the pastime, and Mrs. Samuel Frank captured the prize for holding high honors. Special guests and both being former members who were present included Mrs. Frank now residing in Washington, Pa., and Mrs. Don McCleary, who lives in Clairton.

The hostess, assisted by her sister, Mrs. Frank Gerould, served a tempting lunch at the dining room table, which was attractively decorated, bringing the occasion to a close.

In two weeks Miss Kathryn Hodge of Wallace avenue will entertain in her home.

Honored By Friends

In honor of Mr. and Mrs. Frank Carries of 102 North Wayne street, a bride and groom of September 15, the ceremony being performed at Lockport, N. Y., friends assembled in their home Thursday evening and tendered them a shower.

The hours were devoted to dancing and music, with participants numbering sixteen, representing Youngstown, O., Baltimore, and Cleveland, Ohio as well as this vicinity.

At a fitting time, the honored ones were presented with a collection of lovely gifts to use in their home. The serving of lunch by Miss Alma Smith and several of those present concluded the evening.

1929 Bridge Club.

A beautifully appointed 1 o'clock luncheon featured the meeting of the 1929 Bridge club members when they were received in the home of Mrs. John Walter on West Clayton street. Thursday afternoon, nicely appointed table greeted the eyes of the guests and after partaking of the tasty menu the hours were devoted to cards. Mrs. Walter Waide was winner of the prize. Special guests were Mrs. Henry Leighty, Mrs. W. Leight and Miss Louise Wettlich, the latter receiving the hostess gift. On Thursday, November 9, the club will meet with Mrs. Waide on Clayton street.

Club Honors Birthday

Last evening members of the New Deal 500 club assembled in the home of Mrs. Ray Davis on South Front street in masquerade to honor her, it being her birthday anniversary.

The occasion was carried out in complete surprise, and cards formed the entertainment. Mrs. Hugh Daly was the winner of the trophy for high score and the guest of honor at this time was cleverly presented with a beautiful gift in behalf of those surrounding her. The serving of lunch brought the evening to a close.

L. M. Club

Mrs. Myrtle Rohrer of 513 North Cedar street entertained as her guests the L. M. Club Wednesday evening. Cards formed the pastime with Mrs. Ethel Thomas and Mrs. Kathryn McClintock capturing prizes. In serving a dainty repast the hostess was assisted by her two daughters Myrtle Irene and Betty Lou Rohrer.

On Saturday, October 28 the club will be guests in the home of Mrs. Burnetta Milke of Willow Grove. This will take the form of a Halloween party and husbands will be invited as special participants.

Quinet Club Meets

Members of the Quinet bridge club were pleasantly entertained at the home of Mrs. Frank Usselson on East Grant street Wednesday evening. Two tables of cards were in play. Honors were won by Mr. and Mrs. Charles P. Walther and Mr. and Mrs. Alan Booth.

Mrs. Usselson was assisted in serving a delicious lunch by Mrs. Sargent Smith.

The club will meet again in two weeks at the home of Mr. and Mrs. Alan Booth on the Wilmington Rd.

Amerita Club

The Amerita Club met last evening with Mrs. Rudolph Egizi on E. Reynolds street for a social time. Prizes were presented to Mrs. Leta and Mrs. Mario Prabotto for honors in cards at the close of play. A dainty lunch was later served in the dining room by the hostess.

In two weeks members and their husbands will join in a Halloween party to take place in the Nichols George home on East Lutton St.

FAREWELL PARTY FOR MRS. WRIGHT

The Dorcas class of the Epworth Methodist church had its October meeting at the home of Mrs. G. E. Seal, East Washington street, Tuesday evening, with Jack Dunlap, Mrs. Carrie Alexander, Mrs. M. V. Hyde and Mrs. Ruth Wright conducting the opening ceremonies.

When business of the evening was over the party took the form of a Halloween party in honor of Mrs. Ruth Wright, who is leaving the city soon for Walla-Walla, Wash., where she will engage in missionary work. Mrs. Wright was superintendent of the deaconess home here for some time.

The Seal home was artistically decorated with lanterns, corn stalks and beautiful flowers of the fall. Games were enjoyed and much merriment was caused by each one of the group telling a funny experience. A shower of lovely handkerchiefs was presented Mrs. Wright and at eleven o'clock a buffet lunch was served, with Mrs. Beatty and Mrs. Cornelius pouring coffee.

Mrs. M. V. Hyde, Mrs. Beatty, Mrs. Cornelius, Mrs. H. B. Williams and Mrs. G. E. Seal served on the committee on refreshments.

Honor Newlyweds.

As a courtesy to Mr. and Mrs. Mate McKim of Mt. Jackson, a recent bride and groom, the girls of the New Castle Credit Exchange, former associates of Mrs. McKim, gathered in their home last evening.

The evening was spent in playing 500, at the conclusion of which delicious refreshments were served. The tables were attractively decorated with fall flowers, and a color scheme of pink and white was carried out in the decorations. Before leaving, Mrs. McKim was presented with a lovely gift.

Legislative Department.

Miss Mary Aiken, chairman of the legislative department of the Women's Club, received the members of her department in her home on East street, Thursday afternoon when a plan of study and meetings was mapped out for the winter.

The group will meet once a month at the homes of the members and a study of legislation and bills will keep the women informed of what is going on in government circles.

Thursday there was a discussion of the amendments coming before the people at the November election.

BETH SHALOM WILL HAVE EVENING PARTY

The annual dinner party of the Beth Shalom congregation was planned at the meeting of the Beth Shalom Sisterhood held Thursday afternoon and will be held Sunday evening October 15, at 6 o'clock.

At conclusion of dinner a splendid program has been arranged for the entertainment of the group, with Rabbi Nathan Kollin, who has recently been called as spiritual adviser to the Anshe Emeth Temple of Youngstown, Ohio as the speaker. Mrs. A. Fisher is in charge of reservations.

GRAMODA KENSINGTON LUNCHEON GUESTS

The home of Mrs. W. G. Robinson on North Jefferson street was opened to members of the Gramoda Kensington Thursday afternoon. They were served luncheon at 1 o'clock at a beautifully appointed table suggestive of the Halloween season, and following the hours were spent informally.

Plans for their next meeting in two weeks will be given out later.

Malizia Re-organized.

Members of the Malizia club held their first meeting in several years Wednesday night at the home of Miss Anne Cubellis, Agnew street, and re-organized.

Three new members were admitted—Dorothy Veri, Clara Guido and Virginia Marcella. After a brief business meeting cards, chat and music were enjoyed. At an appropriate time a delicious luncheon was served by the hostess, assisted by Miss Lee Galbis.

The club will meet again next Wednesday, October 18, at the home of Miss Lucille Lombardo, Harrison street.

Tuesday Bridge Club.

Mrs. Frank Taylor of Neshannock boulevard pleasantly received members of the Tuesday Bridge club in her home yesterday afternoon for a luncheon-bridge.

After partaking of the delectable menu served at a prettily appointed table, the hours were devoted to cards. Mrs. John Butler, Mrs. Harold Shellatree and Mrs. Clarence Armstrong were prize winners. The latter and Mrs. Stewart Thompson shared as special guests of the afternoon.

In two weeks Mrs. L. C. Neslie of Wallace avenue will receive members.

J. F. F. MEMBERS MOTOR TO WARREN

Members of the J. F. F. Club drove to the home of Miss Jean Harris, on Logan avenue, Warren, Ohio, Thursday evening where they were entertained in a most delightful manner.

Bridge occupied the greater part of the leisure hours, Misses Eleanor Rohrer and Elizabeth McGowan being winners of the honor score prizes. Radio music, chat and dancing held the attention of the girls at conclusion of play until they were called into the dining room and served lunch. The hostess was assisted by her mother Mrs. John Harris and aunt Mrs. Horner with the delicious menu.

Plans were completed for a Halloween party to take place at the home of Miss Helen Brown, 718 E. Reynolds street, New Castle, on Thursday November 2.

Entertained At Dinner

Mr. and Mrs. William K. Richards, a bride and groom of September 23, were entertained at a chicken dinner Thursday evening in the home of Mr. and Mrs. Gill Brown, 218 North Ray street.

The table was prettily arranged in a color scheme of pink and white. Cards, chat and music formed the entertainment during the balance of the evening.

OUTDOOR MEETING AND WIENER ROAST

Thirty girls of the G. F. S. of the St. Andrew's Episcopal church assembled Wednesday evening at the home of Mr. and Mrs. J. C. Heirick, Arlington avenue, and an out-door devotional service was held as the girls assembled around a large bonfire, with Miss Anne Hitchen as the leader.

Songs and games centered about the fire, with Mildred Fleegeer leading the group in recreations. Mrs. William Wignall and Mrs. Ada Riley, advisors, were special guests.

Roasting of wieners featured the later hours, with Elizabeth Fleegeer, Jane Smith, Edith Cowden, Amy Wright and Anne Hitchen in charge of this part of the program.

The girls will meet in the church next Wednesday evening.

W. L. C. Club

One of the delightful masquerade parties of the season was that given in the home of Mrs. Carrol Forrest, English avenue, Thursday evening when she entertained the members of the W. L. C. club at a masquerade.

Gay and eccentric were the costumes with which the guests arrayed themselves and an evening of wholesome fun was enjoyed, with refreshments suitable to the season served at the evening's close.

ROAMING THROUGH THE NEWS

NEW CASTLE'S annual community chest drive got away to a good start at the cathedral last night. There was a great crowd of workers, there was pep and enthusiasm, there was a good start in subscriptions, there was the realization that a big job is faced, but above all, there was the inclination to go out and get results. The aim is \$70,000, a large sum at the present time, but there is no reason why New Castle should not come through this campaign with a record of passing the goal. Do your share!

According to the action taken at the school board at the Wednesday night meeting, the huge exoneration list of personal school tax assessments for 1932 was not approved. The school tax collector was directed to use drastic methods to reduce that list and get some of the tax that is still outstanding. It was the idea of the school board that there are many on that exoneration list that should not be there, that the taxes should be paid. The board is lenient, and is most reasonable in the case where the taxes cannot be paid, but they are not inclined to pass on the exoneration for persons that are fully able of meeting their obligations. And this is the right stand.

Short shift was made in disposing of the cases of "Machine Gun" and Mrs. Kelly, at Oklahoma City, yesterday, when they were convicted of sharing in the kidnaping of Charles F. Urschel. Both were given life sentences in prison for their part. They made six to be handed life sentences as a result of the crime, and added impetus to the drive of the federal authorities to stamp out kidnaping in the nation. The multitude of convictions and stiff sentences for kidnapers recently should serve to put an effective halt to what was becoming a profitable racket for gangsters at an alarming rate.

Announcement that another addition has been made to the roads to be improved in Lawrence county, in the stretch between New Bedford and Villa Marie, is gratifying news to citizens of the county. Two centres in this district are in need of improved highways, which it would be pleasing news to hear are to be given attention. One is the Volant sector, and the other is the New Galilee district. Reports indicate that the road from Grove City to Volant is to be improved, and if this is done it would provide an outlet for the improved highway that stretches towards Volant at the present time. If the road from New Wilmington to Volant were improved, it would be a fine addition to the network of improved roads in the county. At New Galilee, the highway leading to the south is in need of permanent surfacing.

Small temporary dams of stones that have been thrown across the Neshannock near the East Washington street bridge, are a commendable move. They keep a little more water in the creek channel near the bridge during the low water season, and occasion a better appearance. Since the Rosena dam was taken out there seems to have been almost a continuous dry spell, and the river has seldom been at anything but a very low stage. The small temporary dams recently erected, should be extended, and made a little higher.

BRONCO-BUSTING VERSUS FOOTBALL

It will be difficult to persuade the football fan, especially at this season when the gridiron contests are in full swing, that rodeo sports are less dangerous and more cultural than football. The difficulty will not be lessened by the fact that the claim is made by the superintendent of a Colorado high school.

Of course, the game is not endangered to any extent in this section of the country where familiarity with broncos and steers is limited mainly to portrayals upon the movie screen.

In the minds of most lovers of outdoor amusements there is a vast difference between watching a man matching his skill with some more or less defenseless animal, whose chances of winning depend entirely upon brute strength, and observing 22 trained athletes using every iota of brain and brawn they possess to win a contest which is conducted according to hard and fast rules.

The bull-dogger may know the rules, but the steer does not. With full respect for the superintendent's opinion, we still prefer the football game.

As for the danger, well, there's danger in almost everything these days. Few of us attend any kind of sporting event for the sake of the culture which it may generate.

At least masculinity is innocent of wearing the lurid styles invariably forecast at master tailors' conventions.

In the event of McKee's defeat, Farley may wish he'd given more time to his duties as postmaster general and less to New York politics.

All Of Us

BY MARSHALL MASLIN

"WHY DID IT HAPPEN TO ME?" How often—oh, how often!—we are tempted to cry in anguish and rage. Why did this have to happen to me? What have I done that this burden should fall upon my head? Why, oh why?

We have been behaving ourselves. We have minded our own business, taken no foolish chances, lived as wisely as any human being can live. We didn't do anything. Then why are we punished as if we had greatly sinned? We lose a job. We break a leg. We are driven out of our home. A child is killed by a drunken driver. A beloved wife dies suddenly. We are pierced to the heart and all our little world falls in ruins around us.

And in our furious indignation or in our black despair we cry loudly, "Why did this happen to me, of all people?"

We forget that this does not happen just to us. It happens to everybody. We are the one in the crowd who was struck by the impartial lightning, but if we were not in the crowd then someone else would have been struck. . . . As it is, we and we alone are the victims of that dreadful indifference of Fate, and we resent it so fiercely because in our hearts we have decided we are something special. For no particular reason except the natural vanity that keeps us erect and living, we have come to believe that we are armored and immune to the ills that afflict the average man. Our pride lowers high, and our fall is the greater for its eminence.

There is no cure for this except in a different way of thinking about ourselves and our common life. A man must not say to himself, "I am something special." He must say, "I am like everyone else. Anything can happen to me that happens to any other man. So far I have been lucky, and I may continue to be lucky. But if fortune falls me and the blow falls upon my head, I should have no cause for bitterness. I am what I am and life is what it is, and that's an end of it!"

It's a stern philosophy and not an easy one, but it is at least one of the many faiths that will carry a man through the darkness that envelops nearly every life.

Daily Editorial Digest

Symposium of Editorial Views By Newspapers of Nations on
Important Subjects as Edited by Consolidated Press AssociationGold Hoarding Case Welcomed
As Opportunity To Test LawGreat Responsibility Rests On Federal Tribunals In Action
Under Important Phase Of New
Deal Legislation

Solemn responsibility which rests upon the courts in deciding the initial gold-hoarding case is brought out in the public discussion of the constitutional issues that are raised by the defendant. The prosecution is based upon failure to report possession of gold, contrary to government orders, but the defendant questions the whole law which includes a ban on hoarding. The chief question, as emphasized in comments, is as to whether a national emergency is accompanied by the substitution of government paper which may be of lower value.

"Fundamental issues are involved," says the NEWARK EVENING NEWS, with the explanation that "the fifth amendment of the constitution forbids government to take private property without due process of law and just compensation." The Evening News continues: "The rejoinder of the prosecuting authorities is that the act of Congress, the president's order enforcing it, and the national emergency upon which both rest, constitute due process, and that there is no element of undue compensation involved. The fact remains that if government can take a man's gold away from him, it can also take his other property, in peace as in war, and itself be the judge of the compensation due. The other fact likewise remains, as determined by state and federal courts in two milk control cases, that in the presence of a public danger the individual's rights must yield to the general good. The supreme court will in due time have in this case, as to this general and important issue, the last word."

"The case promises," according to the WASHINGTON EVENING STAR, "to be one of the important legal tests arising under the new deal," and that paper suggests that "no one can say that government has acted without plenty of warning," while it has been "obvious that it did not relish the prospect of prosecuting gold hoarders."

"Any other course would leave the government in the position of having started something it couldn't finish," advises the PHILADELPHIA EVENING BULLETIN, with the report that "there are said to be 30,000 persons on the list of defendant gold hoarders," and that "in the present case the issue was forced by the gold owner, when he sued for possession of his property, in the possession of a bank, putting a chip upon his shoulder and inviting Uncle Sam to knock it off." The DANBURY NEWS-TIMES believes that while "authority to commandeer gold is one question," under the existing law, "it is certain that the government has authority to require a report of gold holdings."

"As to the ordering of such a report by all citizens," thinks the BOSTON TRANSCRIPT, "it seems very probable that adequate power vests in the president and Congress if the reporting phase be taken in and for itself alone. But the federal district attorney has tried so to segregate the issue. But counsel for defense have already argued in reply that the emergency banking act is unconstitutional as depriving a person of property without due process of law and that therefore no power can flow from this act warranting the president to do anything less than full and far-reaching attention. What their judgment will be is not alone unpredictable. It is an issue so laden with public interest, an issue so crucially involving the legal integrity of the government's whole recent policy in the premises, that any citizen must stand in silent respect, almost in awe, of the immensely responsible weight of decision which it will throw on the justices."

THE WRONG GUESS ALWAYS Some seven and twenty years ago she married him for wealth or woe. So late in Nineteen Hundred Six She thought his favorite meal to fix. She hummed a song of sweet delight. Thinking how pleased he'd be at night. But when they sat down for tea: "I had lamb chops for lunch," said he.

Being then an inexperienced bride, The disappointed lady cried. But in a week or two once more She planned a supper he'd adore. So very fond she was of him She toiled to please his every whim. But with the meal before him spread. "I had a steak for lunch," he said.

Through Nineteen Eight and Nine and Ten His favorite food she cooked again. Sometimes she'd lie awake at night Scheming to please his appetite. Planning some savory surprise Which he would view with grate-ful eyes.

But fish or fowl he'd always say "I had this dish for lunch today."

And now it's Nineteen Thirty-three And still she lives in hope that she Sometimes, somehow will cook a meal.

Home Room Group In First Assembly

Delegates Meet To Consider School Matters—Naming Officers

The newly elected student representatives met for the first time this week in the auditorium. Robert Allen, president of the student council, presided. After roll call, the president appointed a nominating committee to select candidates for the election of officers. Frances Stickle, Howard Rumbaugh, and Gene Schweinsburg were appointed on this committee.

It was decided that the "Alma Mater" and various other pep songs should be posted in each room, so that the student body might become more familiar with them. The meeting was then adjourned. The group will meet again Monday, October 23.

French Group Meets, Names Its Officers

Marian Bergland Is President; Plan To Present French Playlets

The Cercle Français assembled for the first time Tuesday, October 10, in the teachers' lunch room. The initial business was the election of officers, with results as follows: president, Marian Bergland; vice-president and program chairman, Pauline Manoe; secretary, Ed Norris. During the rest of the period, a game of French lotto was enjoyed.

The organization is comprised of fifteen students who are now studying or have studied advanced French. The aim of the club is to give additional opportunity to improve the conversational French of its members, as well as to acquire a deeper appreciation of the language, spirit, and institutions of the

country whose language they are studying. English is taboo when the French Club assembles, and the meetings are conducted entirely in French, which is only the right thing to do, n'est-ce pas? Errors on the part of members occasion much merriment, but as a general rule, the students have little difficulty in expressing themselves in French.

The club plans to carry out a program of French playlets, games, and songs, and to invite speakers throughout the year. The members are enthusiastically looking forward to an enjoyable and successful term. The group is under the supervision of Miss Ethel M. Kelley, and the membership is as follows: Marian Bergland, Leah Bird, Minnie Bodendorf, Lois Chambers, Ted Colch-liski, Patricia Cubbison, Edwin Harper, Burdeen John, Jack Jones, Pauline Manoe, Ed Norris, Beryl Nunn, John Othites, Irene Saul and Ruth Shale.

Reserves' Groups Talk Winter Work

Girls Discuss Interest Work For Semester; Unit Programs Planned

The various interest groups of the Girl Reserves organization met for the first time last Monday. In each group, the members discussed plans for the semester's work.

The dramatics group, supervised by Miss Geraldine Turk, met in the auditorium. They have selected plays, to be given during general meetings of the entire club for the public. The plays selected are "No Men Admitted," "Winning Ways," "A Dozen Pink Roses," "Murderer at Large," and "A Somersault in Love." If titles mean anything, and they usually do, these ought to win much applause. Four student directors, as follows, have been appointed: Doris Marvin, Becky Carson, Danna Jean Beall and Marian Hughes. The responsibility for the success of the program rests with them. As there are 48 girls in the group, excellent casts can be chosen. Everyone is looking forward to the

production of these promising plays. The handicraft group, under the direction of Miss Martha V. Smith, gathered in one of the Girl Reserve rooms. Their work is to design the programs for the club. Although the task has not been completed, much progress was made. The girls intend to experiment with many phases of handicraft, including crocheting with crepe paper, suede work, and leather projects.

A new group was organized, the music group. A director has not yet been secured, so definite plans could not be made at this meeting. Include in the semester's program are a Christmas meeting, at which Christmas legends and customs will be discussed, and some prominent speakers who will talk on subjects of interest. The next meeting will be a general meeting of the organization, and a speaker will be the feature of the evening.

Hi-Y Give Play During Semester

The third weekly meeting of the Senior Hi-Y was held in the Y. M. C. A. on Monday. The important topics of discussion were the social and financial problems of the club. The social committee consisted of Chairman Bill Pherson, Bill Warnock, John Kaplan, and Bob Cochran.

The Hi-Y favors the presentation of a play similar to their last year's success "Let's All Get Married." A committee was appointed to arrange for its presentation sometime during the semester. Several new members were voted into the club, namely: George Perdue, Paul Griffith, John McWilliams, Walter Conover, Bill Warnock, Bob Cochran, Albert Barberger, and David Rowland.

Group To Depart For World's Fair

The special students' excursion to the Chicago World's Fair will include several members of the Senior High school student body. Among those going will be Geraldine Ferver, Olive Webb, Ida Smith, Marian Hughes, Doris Marvin, Joe Fisher, Jim Foster and perhaps a few others. Junior high school teachers will act as chaperons for the trip. The group will leave New Castle tonight and will enjoy Saturday and Sunday at the fair. They will return Monday morning, after a night's ride on the train.

This excursion, while short, will afford an excellent opportunity to see the Fair and to enjoy the various exhibits.

P. O. D. Students Join Citizens At Bond Issue Rally

A delegation of Problems of Democracy students attended the meeting of Lawrence county citizens which was held in The Castleton on October 9, for the purpose of discussing the proposed amendment to the Pennsylvania state constitution which concerns the \$25,000,000 bond issue.

Richard Rentz, Loring Gordon, Howard Rumbaugh, James Marshall and James Lutton comprised the Senior High School delegation. A brief report of the meeting was given in each of the P. O. D. classes.

Alternates To Serve If Members Resign

In case a student representative resigns his post at the Senior high school, his alternate will fill that position. The Senior high school's Student Council decided at a meeting on Wednesday.

A committee was named to interview Miss Marjorie Rhodes, assistant principal, concerning the supervision of the Lost and Found department by the council. Copies of the school song, it was also decided, will be printed and sold to the student body.

Band Performance Brings New Praise

Senior High school students are pleased and impressed with the improvement of the band this year. The band is now using a closer marching formation, and is practicing the spelling of words and the formation of letters. This was demonstrated in the Union game when the band spelled the word "Hello" followed by "Union" and "N. C. H. S." The idea is popular, and the band deserves commendation for its work.

ELECTRIC LIGHT BULB USED THIRTY YEARS

(International News Service)
ADA, Ohio—An electric light bulb from Ada, which has been in constant use for 30 years, is on display at the World's Fair at Chicago. The bulb was purchased by W. H. Freud at the St. Louis exposition in 1903.

The "Blue Blade"—positively the sharpest we have ever produced—is especially recommended for men with tender skin. Its smooth, super-keen edges glide across sensitive faces without pull or irritation.

The Probak blade—while extremely sharp—has an entirely different type of edge and is particularly adapted for shavers with tough or difficult beards. Millions of men have found this blade best suited for their special requirements.

The Valet blade—for use in the Valet AutoShave Razor—is designed for men who like to strop their blades before each shave. While their high quality has been acknowledged for years—these blades are now guaranteed sharper than ever before.

You and your Camay Complexion—Can Go to the Head of the Class!

Another Beauty Contest Won!

At twenty a good skin's expected of you. At forty it's imperative. So start acquiring a Camay Complexion. For you are in a Beauty Contest—everyone you know judges your charm.

A Camay Complexion is seductive as smooth satin. Camay, the Soap of Beautiful Women, gives your skin that texture of tantalizing softness.

Camay Keeps your Skin Smooth as Satin

Camay is made for the feminine skin. It's as soft and gentle as your finest cream! Pure, creamy-white as a beauty soap should be, perfumed as if it came from Paris, smart as the newest dress from Vogue—Camay gives you a clean and girlish skin.

"I'm partial to Camay," said the girl who posed for the photograph

at the right. "And I've reason to be—for Camay has given my skin a much softer, smoother texture."

Try Camay Now and Convince Yourself

Camay is a 1933 soap—the smartest looking, best feeling soap of the year. And in spite of its low price—wealthy women were the first to adopt the Soap of Beautiful Women.

Write to the beauty editor of any great magazine. Ask her opinion of the new Camay. The choice of your beauty soap is a serious matter and you ought to have all the facts.

One faithful month of Camay—and any girl, however good-looking, will find herself a prettier, more attractive woman than she is today.

Plan Dinner For General Shannon

Lieutenant Governor Will Be Guest Of Honor At Armistice Day Fete

TICKETS ON SALE FOR ANNUAL EVENT

Every Armistice Day a group of former World War veterans have been in the habit of gathering around the festive board and recounting old times. A sort of last man's club, as long as the boys are able to get together.

This year's event is going to take on added significance, as the committee in charge, which is headed by Jimmy Fletcher, will have General Edward C. Shannon, commander of the 28th division, and lieutenant governor, as their guest of honor and the tickets are expected to be at a premium.

Reservations will be limited to 200, the committee in charge stated today. Tickets may be procured at Ferver's store or from the committee headed by Harold Blewitt.

Members of the Kahle-Ashton post, Society of the 28th Division, A. E. F., have been charged with the pleasant duty of entertaining General Shannon during his stay here, and will go to Pittsburgh on the afternoon of Armistice Day to escort him

to New Castle. Following the dinner he will be turned over to the Armistice Day committee, and will make the principal address of the day at the big tri-county Armistice Day celebration to be held here November 11.

Fish For Week Is Bonus For Chinese

(International News Service) NANKING, Oct. 13.—One fish for every day of one week each year is the bonus given to employees of the Ministry of Industry in Nanking as an attempt to replace the age-old custom of perquisites and "squeeze" prevalent in every government office in China. This year's distribution has just taken place, though its results in increasing the national revenue will not be known until the next budget.

In the Ministry's premises in Nanking there is a large, shallow fish pond which annually is cleaned out and the fish found in it distributed gratis to members of the staff.

This year the record haul for one day was 700 pounds. The total haul was in the neighborhood of 2,000 pounds. The fishermen at work on the pond have been given 30 per cent of the "catch."

To soften paint brushes on which paint has been allowed to dry, heat some vinegar to the boiling point and let the brushes simmer in it for a few minutes. Take out, wash well in strong soap suds.

RARE BLACK ROSES FINALLY PRODUCED

(International News Service) WEST GROVE, Pa., Oct. 13.—Rare black roses which were produced for the first time this summer by a German horticulturist will bloom this September in the gardens of a commercial horticultural company here.

An official of the company was given several buds from the German black rose on display at the Sangerhausen Rosarium in Germany and these were grafted onto

wild roots. The company plans to place the black roses on exhibit throughout the country.

NEW MASK WORN BY FIRE LADDIES

(International News Service) SAN FRANCISCO, Oct. 13.—Smoke masks ala sub-sea divers equipment are the vogue today of the San Francisco fire department. The new type of mask supplies air to the fireman by means of compressed air supplies from a fire truck. From a tank on the truck a length of

hose leads to the fireman, who wears a light harness and a fitted rubber mask. An emergency storage tank carried on the firefighter's back feeds air into the mask if the hose becomes severed.

REDUCTION SHOWN IN RELIEF LISTS

(International News Service) NEWARK, N. J., Oct. 13.—The re-employment of thousands of New Jersey workers has been responsible during the first half of August for the withdrawal of 9,482 persons

from relief lists, the State Emergency Relief Administration announced recently. Reports from 397 municipalities at mid-August show that 393,950 persons were being aided as against 403,432 in the latter half of July.

BEEES ARE NEEDED FOR MELON CROP

(International News Service) ZANESVILLE, O., Oct. 13.—Bees are given both the blame for the poor early crop of cantaloupes in Muskingum county, and credit for

the large late crop. In the early blossom season there was a shortage of bees, which are necessary to pollinate the blossoms. Later on, however, bees appeared in large numbers and the melon crop soon increased to a good size.

Arrest Trio On Liquor Charge

State Trooper Finds Car On
Highway Is Carrying
Liquor

DRIVER IS ALSO
WITHOUT LICENSE

Steve Barus, 20, Cass street, R. D. 3, New Castle and Mike Widelko, 20, also of Cass street, R. D. 6, New Castle are in jail charged with transporting liquor and John Widelko of Cass street is also incarcerated on a charge of letting an unlicensed driver operate his motor car, according to State Trooper Andrew Hughmanick.

Yesterday the state trooper and Constables Mee and Fallon arrested Barus and Mike Widelko along the

New Castle-Youngstown highway. The officers found 25 gallons of liquor in the car.

It developed that Mike Widelko who is not yet of age was operating the car of John Widelko. The latter was arrested also and the moonshine given into custody of County Detective Lee and the car into custody of Sheriff Johnson.

The three will receive a hearing Monday.

By means of an air-screw with adjustable pitch, that acts similar to a gear-box in an auto, it is possible by varying the pitch of the airscrew blades to regulate the speed of the plane. It can also be used as a brake, thus enabling a machine to land at a very restricted speed.

It is also claimed that this invention will give longer life to the engine and also eliminate breakdowns caused by over-revving.

TOWN CAMPAIGNS AGAINST MARSH HENS

(International News Service)

WINTHROP, Mass.—The "marsh hen" must go has become the motto of Tree Warden Millard F. Smith of this town.

The "marsh hens" or starlings have made their roosts in trees in the center of the town for years. All efforts to remove them have failed. In previous years skyrockets were used, but they merely knocked the birds senseless, so Warden Smith has swapped his skyrockets for a shotgun. The first night he used the gun, Smith who is a crack shot bagged 40 of the pests.

U. S. BREAKING UP BIG MAIL ROBBERY RING

Two Of Accused Leaders Are Dead

Lebensberger Is Suicide And Winkler Is Victim Of Assassin

FEDERAL AGENTS TRAILING OTHERS

Mail Robbery In Chicago Last December Proves Undoing Of Gang

(International News Service) CHICAGO, Oct. 13.—Inside details of the \$250,000 mail robbery that resulted in the suicide of Edgar Lebensberger, night club owner, and the murder of Gus "Big Mike" Winkler, gang chief, were revealed today as the government pushed its investigation of a nation wide mail robbery ring.

Three men stood out from the government charged, as the alleged leaders of the ring. They were John J. ("Boss") McLaughlin, former West Side political and gambling czar, who is now in jail, Winkler and Lebensberger. Three other names are involved—"Cherry Nose," "Baby Doll" and "Big Joe"—but they have not been further identified.

Robbery In Chicago The story opens last December 6 when five men carrying shotguns snatched registered mail sacks from guards at a downtown street corner. It is then traced to a hurried conference in the basement of a restaurant, "Big Joe" suggests that Winkler, McLaughlin and Lebensberger be assigned to unload the "hot" securities.

Others on the sales force, according to the story, were Joseph Sans, Lebensberger's credit manager Ralph Berger, Curley Fishman, Sol Sten, James Weinberg, Sam Levick, Gus Anders and Clark Richie.

The salesmen spread out over the country. The rate of exchange was \$5,000 worth of stole liberty bonds for \$3,500 each, the government claims.

Bonds were then sold in Springfield, Ill., Detroit and Chicago. The government found bonds turning up in Denver, San Antonio, Houston, Boston, Minneapolis and New York.

Bonds Are Seized On one of his trips, the government charges Weinberg took \$100,000 to New York for disposal, but while still on the train, he was wired to return to Chicago because the bonds were "too hot." Weinberg then mailed the bonds to a Chicago address, but they were seized by federal operatives who happened to be there investigating counterfeit money at the time.

The turning point of the gang's downfall, the government revealed, came when \$2,800 in bonds were sent to Washington by a local bank for collateral on a loan from the

reconstruction Finance Corporation. R. F. C. officials discovered the bonds had been stolen from the United States mail.

The government then moved swiftly, but quietly toward a solution. When sufficient evidence had been gathered, the government says, Lebensberger was questioned secretly. He broke under the strain, decided to "tell all" then sent a bullet crashing into his brain.

Word went out then, according to the government, that Winkler was about to reveal the identity of "Big Joe" to save his own skin. On Monday he went forth, ostensibly, to raise bail for Sans, who had been arrested. Either going in or coming out of county commissioners Chas. H. Weber's beer distributing plant, he was shot down and killed.

McLaughlin remains locked up in Wheaton, a suburb, for lack of \$50,000 bond.

Mansell Is Added To College Faculty

Becomes Instructor In History At Westminster Is Announcement

THOMAS MANSSELL

NEW WILMINGTON, Pa., Oct. 13.—Attorney Thomas Mansell has been made an instructor in history at Westminster college for the year, President R. F. Galbreath announces. Due to the large enrollment of the college, which has now reached 637, or 15 more than the first semester of last year, additional instruction in the history and government courses was needed.

Attorney Mansell was graduated from Westminster with the class of 1929 and from the Harvard law school last June. He is associated with a New Castle law firm, and will devote part time to instructional duties at the college. While in college, Mansell was a member of the debate team, the tennis team, class football team and of Tau Kappa Alpha debating fraternity. He was an instructor in economics at Westminster during the 1930-31 year following a year spent at Harvard.

In Greek mythology Ius was the reputed founder of Troy.

Ballot Printing Being Delayed

Official Count Report Is Needed Before Ballots Can Be Printed

THREE SEPARATE BALLOTS FOR VOTER

Work of printing ballots for the November election is being held up owing to delays in getting the official count. County Controller R. C. McCaslin stated that he had not yet received any order from the county commissioners to ask for bids and the time is getting short.

Mr. McCaslin says that it will require about 156,000 ballots for the November election, of which 129,765 will be official ballots and about 26,355 will be sample ballots.

This is an unusually big order for ballots and is due to the fact that three ballots will be used by each voter. The general ballot will contain the names of the various candidates, and may also contain the referendum ballot for the granting of retail beverage licenses in such districts as will vote on the question, also the 12 proposed constitutional amendments.

Another ballot will contain the names of the 15 delegates who will vote on the repeal of the 18th amendment and this ballot will be 8x12 inches.

A third ballot will contain the referendum on Sunday baseball and football.

Brrr! Foresters' Winter Looms As Exciting One; New Recruit Tells Plans

By FRANK BOWES
(Special To The News)

CAMP LOWELL THOMAS, TROUT RUN, Pa., Oct. 13.—The New Castle foresters continued the work of road building and fire trails without a stop after the boys who did not re-enlist had departed for home on September 30th. The departing group had spent four and a half months of life in the woods.

New Barracks Go Up
The work of building barracks has been started. About 50 civilian carpenters have been hired by the state to construct the buildings. There will be six structures which will be 111 feet in length and 21 feet wide. One building will house the officers

quarters, camp headquarters, hospital and supply rooms. In the other five will be quartered the men of the camp.

The barracks are to be double-floored, with insulation on the inside and tar paper on the outside. While the heating problem still remains unsettled, it is believed coal will be used. The lumber is to be on the ground 30 days from the date the contract was let, and that was the first of the month. By the middle of November it is hoped occupancy can be made.

New Working Rules
New rules about working hours and the rainy day schedules have been received from Third Corps area headquarters, which commands this camp. The boys must spend six hours in the woods, including the lunch hour, no matter how far the drive to work may be.

If it rains during the week, that day must be made up on Saturdays. Only one day can be made up and there can be no carry-overs into the next week.

A football team is to be chosen

here from the large group of grid-iron prospects. A schedule of games will be arranged in the near future. The past few days have been cool and during the past few mornings there have been heavy frosts. Leaves on the mountain trees are becoming a rainbow of colors and the mountains are a picture worth seeing.

Ralph Brooks is the boy most popular in camp. His call of chow three times a day is very welcome.

BAGPIPES PLAY TO SOOTHE BULGARIANS

(International News Service)

SOPIA, Oct. 13.—Bagpipe accompaniment is furnished Bulgarian harvesters now bringing in the wheat and other crops.

The village musician is in demand for every reaping party, every fruit-gathering expedition. When he has no bagpipe his two-stringed fiddle or his flute will do.

Choral singing among farmhands of both sexes, dating from the old days of Turkish rule, has been revived.

Once the day's work in the fields is concluded, the young men and women tread through the "horos" or native group dance, far into the moonlit night.

MODERN CINDERELLA CLUB RE-ORGANIZES

Twenty-three young ladies of New Castle, out of school, met in the Y. W. C. A. Wednesday evening and re-organized the club known last year as the Modern Cinderella. Many of the 23 were last year's members and a number of others had never attended before.

Miss Ruth Wallace of the senior

high school gave a talk on "Charm of a Hostess". She demonstrated the correct methods of setting a dining room table.

Next Wednesday evening the club will meet again. The topic of the period will be "Dress and Make-up". A basketball team may be formed.

HITLER SYMBOL IS NOT ALLOWED HERE

(International News Service)

STRUTHERS, O., Oct. 13.—Hitler's swastika may have significance in Germany, but it means nothing in Struthers. H. I. Countryman, candidate for mayor here, found this out when he asked the board of elections to place the symbol above his name on the ballot. The request

was denied and Countryman was told he would have to be classified as an "Independent."

"Duke of Exeter's daughter" was a nickname applied in the fifteenth century to an English instrument of torture resembling a rack.

Crop Conditions In State Shown

Increase In Corn, Barley,
Buckwheat And Hay
Predicted For
Year

DECLINES SEEN IN MANY CROPS

By ARTHUR C. WIMMER
Special Washington Correspondent
New Castle News

WASHINGTON, D. C., Oct. 13.—In its crop forecast based upon conditions as of October first, the Farm Reporting Board predicts increases in the 1933 corn, barley, buckwheat, tame hay, alfalfa hay crops in Pennsylvania but declines in spring wheat and oats and in virtually all fruits.

The board predicts increases in the Pennsylvania corn crop from 46,435,000 bushels in 1932 to 49,452,000 bushels in 1933. Other increases are predicted as follows: Barley, from 1,725,000 to 2,075,000 bushels; buckwheat, from 2,070,000 to 2,362,000 bushels; tame hay, from 2,805,000 to 3,135,000 tons, and alfalfa hay, from 197,000 to 259,000 tons.

The spring wheat crop is expected to drop from 170,000 to 155,000 bushels, and the oats crop is predicted as declining from 24,072,000 bushels in 1932 to 21,240,000 bushels in 1933. The potato crop of the Keystone state is expected to shrink from 21,450,000 to 19,656,000 bushels. Tobacco harvested is predicted as declining from 46,310,000 to 33,630,000 pounds in the state.

Especially marked declines are predicted for the 1933 fruit crop. These are presaged by the board as: Apples, from 1,250,000 barrels in 1932 to 718,000 barrels this year; peaches, from 1,676,000 to 1,414,000 bushels; pears, from 384,000 to 354,000 bushels, and grapes, from 22,977,000 to 18,480,000 tons.

New Wilmington

ROTARY MEETING

Two very efficient speakers occupied the spotlight of the local Rotarian's weekly meeting held at Wyatt's Lodge on Monday evening. Dr. R. F. Galbreath, president of the local organization of Rotarians, presented a very earnest talk of short duration. Following his speech, Mr. Bruner, superintendent of the George Junior Republic, near Grove City, spoke on the life at the school.

MR. McKAY TO SPEAK

Attorney Leo McKay, who for past years has proved his worth by cleaning up vice in Mercer county, has been secured by the Brotherhood of the Methodist church, and

will speak at their first meeting of the year in the church cafeteria on October 17.

The committee in charge is making elaborate preparations for the evening program which begins with a supper served at 6:30.

NEW WILMINGTON NOTES

Norman G. Vance is confined to his home with illness.

Mrs. Lida Greer, daughter Lola, and son Nelson were Sharon visitors on Monday night.

Roy Cummings is attending the Automobile Dealers convention in Washington, Pa., this week.

The Thursday Club meets on Friday afternoon instead of Thursday afternoon of this week at the home of Miss Letitia Elliott.

The regular meeting of the Women's Missionary society of the U. P. church will be held Wednesday, October 25 in the church parlor.

Real old-time preaching will be in vogue at the Community house in the two weeks following the night of October 18. The Baker evangelistic party will hold a two weeks revival.

JAPANESE BACHELORS SEEKING HOME GIRLS

(International News Service)
PEIPING, Oct. 3.—The appeal of six thousand Japanese bachelors employed on the South Manchuria Railway for wives from home was voiced by a writer in a Dairen newspaper. While admitting that there are sufficient Japanese maidens in Manchuria to meet the matrimonial demands, he expresses the common preference for girls from Japan proper and not Manchukuo.

The writer describes the Japanese born variety as more romantic and full of the spirit of adventure with a new husband in the new land.

APOLOGIZE FOR BOOING NEW YORK MAYOR

(International News Service)
NEW YORK, Oct. 13.—The New York Stock Exchange has apologized to Mayor John P. O'Brien for the recent booing he received from the marching contingent of Wall Street clerks in the recent NRA parade. The letter of apology stated that investigation had disclosed that the booing was not premeditated.

CASH HOARDED IN BELT AROUND BODY

LYNN, Mass.—Ralph Ranney, of this city, was found lying unconscious on Mechanics Court, Lynn, by Policeman Daniel Horgan and taken to the Lynn hospital. Police

found the following articles on his person: A \$20 gold piece on his watch chain, an expensive watch and chain, eleven dollars in cash in his pockets, \$1,765 in a money belt about his body. He was arraigned in Lynn Court on a charge of drunkenness.

LAND SCHOOL
(International News Service)
NEW YORK.—A School of Land Economics, the only one of its kind in the world, will start giving courses in New York City about October 1. The new school is intended primarily for graduate students

and aims to give a broad training in land economics and land policies.

Confusion Over "Check-off" Plan

"Qualified Check-off" Agreement For Captive Mines Is Discussed

RECOGNITION OF UNION AT ISSUE

(International News Service)
PITTSBURGH, Oct. 13.—Considerable confusion prevailed here today as to whether agreement to the "qualified check-off" by the great steel companies in their captive mines constituted union recognition. The general feeling was that the 40,000-odd soft coal miners still out on strike would reject the concession and continue their holiday.

Thomas Moses, president of the H. C. Frick Coke Company, who has been engaged in a series of conferences with Philip Murray, international vice president of the United Mine Workers, does not construe the agreement as recognition of the union.

Moses said: "I don't think that matter has anything to do with the union." And from the opposing camp came like comment. Mary Ryan, insurgent strike leader, remarked: "That's not recognition. If it is, or if the agreement means more than it says, the president should tell us."

St. Andrew's Rally Service

Elaborate Plans Made For Programs Morning And Evening In Episcopal Church

Preparations indicate that the rally day in St. Andrew's Episcopal church Sunday will be one of the largest the church and Sunday school has ever had.

The services will be held at 10 a. m. and 7:30 p. m. with Rev. J. C. Hetrick, superintendent of the Sunday school, and his committee in charge. It is expected that attendance records of the Sunday school will be broken at the 10 a. m. service when the following program will be presented:

The Good American.
The baby pageant of children under three will open the program. Processional—Stand Up For Jesus. Song—"The Star Spangled Banner." Scripture reading—J. C. Hetrick. Prayer.
Song, America—By the Sunday school.

Two Killed In Crash Of Auto

Two Prominent Chester And Lancaster County Banking Directors Are Victims

(International News Service)
POTTSTOWN, Pa., Oct. 13.—Two men, both prominent in banking and business circles of Chester and Lancaster counties, were killed instantly early today and two others were seriously injured when their car crashed into a bridge abutment west of Morgantown.

The dead were D. J. Knauer, 60, of St. Peters, Chester county, and Heber Reaser, 58, of Morgantown. Both were directors of the Elverson National Bank of Elverson.

The injured are Earl Witwer, 39, cashier of the Elverson bank, and his father, Harvey Witwer, 64, of Elverson. They were taken to the Reading hospital where doctors said they probably would recover.

Police blamed a wet road surface for the accident.

ASK TOWN TO PAY BILL OF 1746

(International News Service)
MIDDLETOWN, R. I.—If they wanted six per cent compound interest, the town of Middletown would be in a terrific financial mud-dle.

Attorneys for the Newport Hospital presented a bill, nearly 200 years old, seeking payment of \$60,000 damages from the town for an alleged breach of covenant for selling Sachusset beach in 1746. The town was given 40 days to pay or face suit.

In presenting the bill to the council, the attorneys for the hospital declared that the town sold the beach at that time and gave title, although the Supreme Court of Rhode Island had ruled that the town had no right to sell the beach and that the title was void.

Needlework Guild Ingathering Dates

New Garments For Needy Will Be Displayed In Castleton Hotel November 9-10

Mrs. Ethel Rents Ferver, president of the New Castle Needlework Guild, announces that the ingathering and distribution of the guild this year will be November 9 and 10.

As has been the usual custom, the garments will be gathered at the Castleton hotel, where an exhibition of all donations will be made in the ballroom of the hotel on November 9, then on November 10 the garments will be distributed to the various organizations or persons for whom they are intended.

It is expected that there will be many new members added to the guild this year. The admission fee to the guild is the donation of two new garments to be used in the work of the organization.

The need for this work this year seems to be equal if not greater than last year and Mrs. Ferver is looking forward to an exceptionally large ingathering.

Bulgarians Graduate From U. S. Schools

(International News Service)
SOFIA—More than 100 Bulgarian youths and maidens received diplomas from American-run educational institutions in this country at the summer commencement exercises recently held.

Sixty boys and girls were graduated from the American college at Simeonov, near the capital, and were addressed by the retiring minister, Henry Shoemaker, and Dr. Boyadjieff, Bulgarian minister of education. Forty girls finished the course at the Lovetch school for

FRIGHTENED DEER PLUNGES TO DEATH

(International News Service)
AUGUSTA, Me.—A frightened deer provided a vaudeville show for a group of Maine hunters although the animal paid for the act with his life.

Frightened by a dog the deer leaped into a mill pond. After a time, the animal leaped upon the platform of the Central Maine railroad plant, and then to the roof of the building.

Remaining perched in the air for a few moments, the deer finally plunged from the roof into the pond, came up once and then disappeared.

Upstreamers' Class.

Members of the Epworth Methodist Upstreamers class met Thursday evening at the home of Florence Paul, East Reynolds street, with Ethelyn Douthett presiding and Sara Owens in charge of the social period.

Refreshments in accord with the Halloween season were served in the dining room and a most delightful evening was enjoyed by the girls.

Mrs. J. C. B. Douthett, Lutton street, teacher of the class, will be hostess to the girls in November.

W. C. B. Class Meeting

The W. C. B. class members of the Wesley M. E. church met Thursday evening in the home of Mrs. Charles Miller on the Youngstown road. A good attendance marked the occasion. Mrs. Joe Perkins was in charge of devotionals with a short business period following. Plans were made for a Halloween party to be held in the church basement on Friday, October 20.

Refreshments were served at the close of the evening by the hostess. The next regular session will take place with Mrs. LeVina Shoaff on West Washington street.

HANGOVER

"Was your bachelor party a success?" "Rather. We had to postpone the wedding for three days."

In your judgment virtue requires no reward, and is to be bought for benefits—Ovid.

UNION BAPTIST CHURCH

This evening the Union Baptist church has been chosen as neutral ground for the debate, "Did the Curse of Noah Affect Ham?" at 8 o'clock.

The debaters will be from Wampum and Beaver Falls and great interest in the debate is being shown

by New Castle colored people as a debate on the same subject.

Owing to the rousing enthusiasm in the special sermon "Move Out, Move On, Move Up," which was given last Sunday evening in the church, the pastor, Rev. C. D. Henderson, will continue the sermon Sunday evening, using "Move On" as his theme.

RALLY DAY PLANS

Rev. W. W. Nelson, pastor of the Second Baptist church, announces that Sunday will be rally day in the church.

The captains of teams representing 250 members will give their final reports at this time and each member of the congregation is asked to donate \$5 toward the church debt.

Special music and programs will feature the day; the morning sermon will be delivered by the pastor and at 7:30 p. m. Rev. J. W. Trower will be guest speaker.

Spanish Prince And Bride On Honeymoon

(International News Service)

EVIAN-LES-BAINS—The Prince of Asturias former heir to the throne of Spain, and his pretty young Cuban bride, are having a real out-of-door honeymoon here. They are making their headquarters in this resort but every new day finds them in one of the beauty spots of the surrounding Savoy. They have also made many excursions on the lake.

The young couple intended to meet the prince's father Alfonso, in London, but they do not like the idea of leaving this lovely region in fine weather.

Why not require everybody to wear an "Honest Man" license tag and then lock up people who can't qualify for one.

DON'T TRIFLE WITH COMMON CONSTIPATION

Kellogg's ALL-BRAN Brings Relief

Constipation gets its grip on a person almost unawares. It often starts with such little things. Headaches. Listlessness. Bad complexion. Unpleasant breath. If unchecked, it may seriously impair your health.

Fortunately, you can avoid this danger by eating a delicious cereal. Laboratory tests show that Kellogg's ALL-BRAN provides two things needed to overcome common constipation: "bulk" and vitamin B. ALL-BRAN is also a rich source of iron for the blood.

Biological tests demonstrate that the "bulk" in bran is similar to that in leafy vegetables. Inside the body, it forms a soft mass, which gently clears out the intestinal wastes.

How much better than taking unpleasant patent medicines. Two tablespoons of ALL-BRAN daily are usually sufficient. Serious cases, with every meal. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.

GIRL POSSESSES

"MIRROR VISION"

(International News Service)

HANFORD, Cal.—The mystifying case of a young girl with "mirror vision" has been discovered in the town of Avenal, near here, it was reported today.

While examining the eyes of school children, doctors found that Shirley Pellerin, 7, sees every line of script or printing backwards.

Shirley is not cross-eyed, and her eyes appear to be normal. Her teachers report that she is an alert and intelligent pupil. But she writes backwards, which to her is the normal way to write. However, she has been taught to write in the manner ordinary folks do, but this is "reverse English" to her.

High School Survey Reflects Families' Economic Conditions

Brightening economic conditions among the families of Senior High school students, reflected in a survey just made, give additional merit to the present-day belief that gloomy Old Man Depression isn't the chap he once was.

And This Is Why

For example: A year ago today there were 221 families of the students on relief; now only 119 are receiving aid.

Within the past year a total of 117 families withdrew from relief.

There are 576 families whose financial conditions are better this year than last fall.

Principal Frank L. Orth decided to take the "confidential survey" immediately after school began this term to satisfy himself, and incidentally others, as to the status of home conditions. Each student filled in a questionnaire.

While the matter of economic conditions was primarily the reason for the survey, other factual light was obtained for school records through additional questions submitted.

Nearly 1,900 regular high school students took part in the survey, and 1,312 reported they were born in New Castle while 562 said they were born elsewhere.

A nationality paragraph of the questionnaire revealed that 779 of the students have American-born

fathers, while the Italian, Polish and German nationalities place next. Thirty-nine other nationalities were reported.

Tells Sizes Of Families

As to the sizes of the students' families, they reported this:

Five have one in the family; 32 have two; 200 have three; 256 have four; 383 have five; 333 have six; 243 have seven; 143 have eight; 88 have nine; 65 have ten; 23 have eleven; 13 have twelve; 8 have thirteen; and 1 has fifteen in the family.

Of all the families, 1,635 have one member employed full time; 119 have two employed full time; 56 have three so employed; eight have four working full time, and three families have five of their members working full time. As to part-time employment, 483 reported that one member is so employed; 77 said two are working that way, and 12 said three are holding part-time jobs.

As to economic conditions, 1,105 families were reported to be in a financial condition similar to a year ago while 201 said their financial conditions are worse.

Principal Orth asked other information which has not yet been completely compiled.

BACHELOR COP IS MUCH EMBARRASSED

(International News Service)

MALDEN, Mass.—"Daddy" was what the boys on the corner were calling Patrolman Julius J. Cuenin of the Malden police force when he walked by pushing a baby carriage. Cuenin found the carriage while walking his beat and was bringing it to headquarters when he was discovered. As he is a bachelor Cuenin decided the job was embarrassing and called for the wagon to take the carriage the rest of the way to the station.

WOMEN PAY MILLION TO KEEP INDIGENT

(International News Service)

COLUMBUS, O.—Cosmetic counters in Ohio are raising \$1,000,000 for poor relief. The sovereign commonwealth has placed in effect a new tax which adds 10 per cent to the cost of being beautiful. It lays a tax on cosmetics and toilet preparations. The tax is being borne almost entirely by women.

Plaintiff Wins In Suit For Damages

In the case of Bessie Fennick and Russell Fennick, her husband, against Herman Cohen, trading as the New Castle Furniture Company, which was tried at court before Judge James A. Chambers, the jury returned a verdict in favor of Mrs. Fennick for \$22 and Mr. Fennick for \$78. Mrs. Fennick's foot caught in a furnace register in the furniture store, and she fell, sustaining injuries. Mr. Fennick was awarded the greater part of the damages, on account of having paid bills, incurred by his wife's mishap.

Labor Votes For Boycott On Goods Made In Germany

By DAVID P. SENTNER
International News Service Staff Correspondent

WASHINGTON, Oct. 13.—A boycott of German-made goods and services, as a protest against the Hitler regime, was voted today by the American Federation of Labor convention.

The report of the committee on resolutions, considering three anti-Hitler proposals, provided for the A. F. of L. boycotting "German-made goods and German services,

this boycott to continue until the German government recognizes the right of the working party of Germany to organize into bona fide, independent trade unions of their own choosing and until Germany ceases its repressive policy of persecution of Jewish people."

Union Township Meeting Tonight

Will Discuss Advisability Of Building Additions To School

Citizens of Union township will have an opportunity of airing their views on the advisability of asking for federal funds to enlarge the school facilities of the township, tonight when the school board holds an open meeting.

Recently the Tax Justice League suggested getting federal money for the purpose of adding 12 rooms to the school buildings of the township.

The idea has met with considerable favor, but the board feels that the taxpayers should be given the opportunity to express themselves in the matter.

WEIRD LAKE NOISES PUZZLE SCIENTISTS

(International News Service)

YELLOWSTONE PARK, Wyo.—Park rangers and scientists are still pondering, after 50 years of mystery over the strange sounds heard over Yellowstone Lake every morning in the late summer. The weird inexplicable noises begin like the muf-

fled sounds of birds in flight with whirring, flapping wings, rise quickly in crescendo and end as a sustained note with distinct rhythmic quality.

All theories so far offered for the phenomenon have been dispelled by observations.

About Two Hundred Thousand Meals Are Served In One Year At Jameson Memorial Hospital

Aide Society Will Try To Help Out By Sponsoring Food Donation Days

Here are some interesting facts on the Jameson Memorial hospital food problem and the food donation days on the calendar for this month as written by Dr. W. W. Bissell, hospital superintendent. This is the first of a series of six articles.

"The Jameson Memorial Hospital Aide society is organizing its annual fall ingathering of food supplies for Friday and Saturday, October 27 and 28, a most important aid to feeding-care of the sick.

"Many do not realize the magnitude of food requirements of our hospital. During 1932 our hospital served 193,884 meals—more meals than were served in any 100 families averaging five persons each in our community. If each of these 100 families consumed 50 glasses and jars of jellies and preserves during the year, one might estimate the requirement of our hospital at 5,000 glasses and jars of similar delicacies. The requirement is not that great, of course, because not all sick persons are indulged with the delicacies of health. Truthfully, however, it can be said that no hospital—not even Jameson Memorial with its host of friends—has ever been supplied with enough good home-packed

fruits and jams and relishes and pickles to go around.

"By carefully dividing a 6-ounce glass of jelly with a 'nearness' approaching a stinging helping 12 can be served. If there are 48 sick people in the hospital who might enjoy a little jelly once a day it is easy to see that 1500 glasses are required for the year. If the supply is 500 glasses, jelly can be served twice a week—if care is used to divide a glass into 12 portions.

The real point, however, is the pleasure that comes to 12 sick people whose palates are tickled out of just one little glass of jelly. Really, this is so genuine that it is worth while to walk a mile or more to give even just one glass."

Volant P. T. A. Has October Meeting

Interesting Program Is Carried Out In Presbyterian Church Tuesday

(Special To The News)
VOLANT, Oct. 13.—The Volant Parent-Teachers association held its October meeting in the Presbyterian church Tuesday.

The business meeting was conducted by the president, J. B. Watson. The membership committee reported 17 new members. A committee on ways and means of replenishing the treasury, consisting of Mrs. Edith Simpson, C. E. Cornman and E. D. Thompson, was appointed to give a report at the November neighboring P. T. A. meeting.

The business meeting was followed

by a song, "When It's Lamp Lightin' Time in the Valley," by four high school boys—Phillip Cox, Chester Coates, Vincent Thompson and James Allen; duet, "Hawaiian Bluebird," Ada Hunt and Leona Sholler; Miss Twila Kimes, accompanist.

Mr. Hook and his first aid team of the Pennsylvania Power company, were then introduced and gave a demonstration on first aid bandaging.

Following the penny march, refreshments were served by the committee and a social period was enjoyed.

The P. T. A. banner was awarded to Mr. McCracken's room for the coming month.

T. C. Blevins represented the Volant P. T. A. as a delegate at the Pennsylvania district Parent-Teacher association held in Pittsburgh on Monday. Other members who accompanied Mr. Blevins were Mrs. T. C. Blevins, Mrs. Edith Simpson and Mrs. Florence Miller.

F. E. Welker Makes Trip To Kentucky

Many Difficulties Encountered As Furniture For Missionaries Is Delivered

F. E. Welker of the Harbor, and Mrs. Welker, have returned from the mountains of Kentucky where they went a short time ago with a load of furniture and food for missionaries in that region.

On leaving New Castle Mr. and Mrs. Welker were accompanied by Elizabeth Hatcher, a missionary of the Pentecostal church, who left

them at Willhurst, Ky. where she has missionary headquarters.

The Welkers then pushed on to Van Cleve, Ky. where they left the trucks at the concrete road and hunting up a team of mules. Mr. and Mrs. Welker drove into the mountain district eight miles, where they secured four more teams of mules and wagons and again came to where they had left their truck and loading the furniture onto the five wagons, they made the difficult trip into the Zion Hill Mission at Taulbee, Ky. which is supported by the Wesleyan Methodist church.

They traveled over rocky, stony paths, which could hardly be called roads, then traveled through creek beds, at last reaching their destination but the difficulties of the trip were fully offset by the joy and delight of the mission workers when they expressed their gratitude to the good people of New Castle, who

so liberally gave the articles of furniture which will add a little comfort to their cabins in the mountains, no longer will they have to carry chairs back and forth to the school and cabin and no longer will they have to lie on the floor to sleep, for there were chairs, beds, tables and many articles of furniture given by New Castle persons for this splendid cause.

Miss Hatcher also had many articles of furniture and food stuff donated before she left New Castle and which Mr. Welker took along for her.

One Act Play Is Presented Today At Ben Franklin

The following program was presented at student assembly, Benjamin Franklin junior high school, at 2:15 o'clock this afternoon:

Devotional hymn, "Come Thou Almighty King."

Devotionals, led by Miss Lois Kerr.

Duet, "Whispering Hope"—Mary Lewis and Dorothy Frey.

Orchestral number, "Serenade Roccoco."

One act play, "Mrs. Magician's Mistake." This was a comic sketch of what a big difference just a little

bit of magic fluid can make, and what a big mistake a magician's wife can make. Those taking part in the play were David Galasso, Paul McCandless, Edward Fortney, Cecelia Turner, Katherine Boya, Elder Bryan, Allen Joki, John McClurg, Helen Cwynar, Eleanor Emery, Lillian Petrilli, Theresa Cassella and Betty Raney.

The next assembly program will be presented by the geography department of the school.

The Startling New STUDEBAKERS OF 1934

Sensationally designed! \$645
Sensationally priced!

AND UP, AT THE FACTORY

STUDEBAKER is presenting the lowest priced fine cars in American motoring history in these startling new Studebakers of 1934!

Studebaker has stepped down into new fields of low price and stepped up traditional Studebaker quality in so doing.

The armor-plated bodies of these new Studebakers of 1934 are sensational in their beauty, strength and quiet. They go farther than any standard production bodies in the world in approximating the air-curve symmetry of the latest giant speed planes.

Appealing outside, they're utterly alluring when you open the doors . . . with capacious seats, luxurious tailored upholstery and the finest fittings ever provided in cars so low priced. A new ventilating system assures real comfort—allows opening of windshield.

These new Studebakers have that stamina and brilliance of performance which enabled five 85% stock Studebakers to finish among the first twelve in the great Indianapolis Speedway race on May 30 last—and

to go through that entire contest without a single adjustment or repair!

They have uncanny "mechanical brains" that make driving almost entirely automatic.

The test of driving will fully convince you that no car you can buy is nearly as good a "buy" as these startling new low-priced Studebakers. The new Dictator Six is \$645. The new Commander Eight is \$845. The new President Eight is \$1045!

Come in today and take out one of these new Studebakers of 1934 for a convincing trial drive.

THE DICTATOR as low as \$645

THE COMMANDER as low as \$845

THE PRESIDENT as low as \$1045

Prices at the factory. Bumpers and spare tires extra

Continuance of these amazing low introductory prices is not assured. Now is the time to take advantage of them before possible revision upward is made necessary by higher costs of materials.

San Francisco Protests Using Military Prison

Plan To Send Hardened Prisoners To Coast Prison Is Protested

(International News Service)
 SAN FRANCISCO, Oct. 13.—City officials and civic leaders planned a protest today to Attorney General Cummings over the selection by the department of justice of Alcatraz Island in San Francisco Bay as a prison for gangsters and desperate criminals.
 "Gangsters, in or out of jail, draw an undesirable element in their train," District Attorney Matthew said. "We have never had that element here and we want none of it."
 "We don't want the backwash of a gangster's following here," Chamber of Commerce officials declared. No official word has been received at the island concerning the proposal, according to Col. George Weeks, commandant of the army disciplinary barracks here.
 "No prisoner ever has escaped from the island," Col. Weeks said. A boat approaching the prison

would be at the mercy of guards. An attempt to swim to shore spells death in the treacherous currents sweeping in from the golden gate.
 The island first was used as a military prison in 1861. It harbored hardened criminals until 1915, when it became a disciplinary barracks for minor military offenders. Its cells house 600 men.

Strikers Should Return To Work

General Johnson Says All Strikers Should Go Back To Work At Once

(International News Service)
 WASHINGTON, Oct. 13.—If the captive mine operators signed wage agreements with the United Mine workers granting the concessions announced by President Roosevelt yesterday, all strikers should return to work at once, recovery administrator Hugh S. Johnson declared today.
 He said he believed that any haggling by mine union officials, or miners over the question of whether or not a "check off" system should be installed on a "voluntary" basis would be inexcusable.

MacNicholas Calls Managers To Plan '33 Church League

Fourteen local churches will probably enter teams in the coming season's church basketball league, Physical Director Henry T. MacNicholas declared today as he issued an invitation for team managers and representatives to meet with him to discuss the new schedule on Friday, October 20 at 7:15 o'clock.
 MacNicholas expects that plans for the entire season will be talked that night.

Call 200 Men To Relief Jobs Tuesday

Mayor Mayne today was authorized by council to apply to the Lawrence County Emergency Relief Board for 200 Work Relief employees who are scheduled to report at 7 a. m. Tuesday at the city toolhouse.
 It developed today that only eight appeared for work last Tuesday and it is alleged that there is a systematic campaign under way to persuade men not to report, the men behind the scheme, it is said, having told them they could secure relief without working for it.

Bartender Visions Economic Congress Just "Gin Fizzle"

(International News Service)
 LONDON—Mopping up for the last time after the departure of scores of multi-lingual bar-keepers, the bartender at the Geological Museum philosophically surveyed the wreck that lay in the wake of the world's economic conference.
 "It wasn't just a fizzle—it was a 'gin fizzle' he sighed.
 By this he explained that the most popular strong drink at the 20-yards bar was the good old American gin-fizz. In the time that the conference struggled along from June 12 to July 27, 2100 gin fizzes foamed out of the shakers, said the bartender.

Centuries Fail To Change Social Life

(International News Service)
 LOS ANGELES, Cal.—Passing of 170 centuries has not altered the basic principles of the social life of the human race, according to Dr. E. P. Shannon, explorer who has traced the habits of races of centuries ago.
 From the ruins of cities in North-eastern Abyssinia and other extinct cities, Dr. Shannon has found evidence a well organized social order existed in the days of the pharaohs. Hieroglyphic inscriptions on rocks

Field Club Party Honors Miss Wallace

In honor of Miss Helen Wallace, Adams street, who will leave Sunday to make her residence in Harrisburg, a group of her friends gathered in the form of a farewell party Thursday evening in the New Castle Field Club for a 7 o'clock dinner.
 The delicious menu was served at attractively appointed tables decorated with autumn flowers and tall slender orange tapers blending in the Halloween note. Places were arranged for fifteen. At a fitting time, Miss Helen McCracken, in behalf of those assembled, presented the honored guest with a lovely remembrance and an expression of good wishes from her associates. She responded in a gracious manner.
 Bridge filled in the remaining hours and at conclusion of play Miss Dolores Gould was awarded the prize.
 Miss Wallace has accepted a new position in Harrisburg, and since the fact has become known among her circle of friends, numerous entertainments have been given in her honor.

Rural Postmen To Benefit By Order; Boost Allowance

President Roosevelt, in an executive order, has increased the equipment allowance of the nine rural letter carriers of the New Castle post office from one cent per net mile to three cents for the months of November, December, January and February.
 The order affects 39,710 other rural carriers throughout the country.
 During the quarter ended September 30th the allowance had been reduced to the one-cent basis for economy reasons. The boost was granted in consideration of the additional expense to which carriers are subjected for vehicular upkeep during the winter months when roads are at their worst.
 No iron ore is produced in Illinois. The furnaces, located chiefly in the northern part, convenient to lake transportation, receive their supplies of ore from the Lake Superior region.

Plan Island Prison For Worst Criminals

(International News Service)
WASHINGTON, Oct. 13.—Alcatraz military prison, high on a rocky island in San Francisco Bay, has been selected as the spot where the country's toughest killers, kidnapers and racketeers will be confined after their conviction in federal courts, Attorney General Cummings announced today.

Negotiations have been completed for its transfer to the department of justice. The military prisoners will be taken to other institutions. About 600 may be confined on Alcatraz Island. Cummings contemplated the immediate transfer of about 75 prisoners from Atlanta prison and the same number from Leavenworth.

Habitual criminals of the type known to students of penology as recidivists, repeating crimes at every opportunity, will be taken to Alcatraz. Cummings pointed out that criminals who make trouble in the

federal institutions, who continually attempt to escape, those not susceptible of rehabilitation, those who have influential outside contacts and who make business of a crime will be confined on the island.

Cummings said the island is about a mile from the nearest land, located on a precipitous island. The current is swift and escapes are practically impossible.

Explaining that about both Atlanta and Leavenworth prisons has arisen a criminal element drawn to keep in contact with the prisoners, Cummings said it would be impossible to establish such groups about the island.

Breaking up of those underworld contacts will have a wholesome influence on prison discipline, Cummings said.

"Prisoners can't escape and we want them in a place where they know it is hopeless to try to get away," Cummings said.

HUBBELL'S FOLKS LISTENING IN

Probably the most interested listeners to radio broadcasts of the world series is this small group—Carl Hubbell's folks, grouped around their radio set in their Meeker, Okla., home. In picture are the Giants' star pitcher's young brother, Merritt, and his parents, Mr. and Mrs. G. D. Hubbell.

Pulchritude and Pumpkins

Yes, sir, they're some pumpkins, and the camera doesn't lie—well, not often. The beauties and the pumpkins were grown in Petaluma, Cal., which, residents claim, is the country's greatest production center of potential pumpkin pies and Halloween jack-o'-lanterns. Would you like one? No! We mean a pumpkin.

PUPPIES BOAST SCIENTIFIC PAPA

For the second time known in history, an artificial mating of two dogs has been accomplished successfully by Dr. A. R. Theobald, of Cincinnati. The photo shows the dam, Whiskey Miss, with her litter of nine puppies conceived in the artificial mating process. All of the puppies are of uniform size and evenly marked. The sire is Major Jake, who, like Whiskey Miss, is a registered airedale.

Wampum District Sunday School Meet

Officers Are Elected And Addresses Are Heard On Work Of Sunday School

The annual convention of the Wampum District of the Lawrence County Sabbath School Association was held in the Wampum Presbyterian church Thursday afternoon and evening, with Paul Coulter, president of the district, in charge.

A large group of representatives from the eight churches in the district assembled both for the afternoon and evening programs. The afternoon was given over largely to business, with an address by Attorney Joseph McPate, who gave an outline of the development of the Sunday school and its service.

The evening session featured

music by an orchestra and the junior choir of the West Pittsburgh Methodist church under the direction of Mrs. R. B. Withers. Rev. R. B. Withers conducted the opening.

Rev. C. H. Heston, pastor of the First Baptist church was the speaker of the evening and his discourse was on "The Finished Products of the Sunday School".

County officers present were Robert L. Strickler, president, D. M. Marshall, vice president; Mrs. Albert Street, children's division, and S. H. Shaw, Slippy Rock district, and each of these spoke briefly.

An election of officers was held and resulted in Paul Coulter being chosen president for another year; J. E. Carpenter, vice president; Mrs. Fred Aiken, secretary; Estella Heston, treasurer; Nellie Grinnen, children's division; J. B. Houk, audit division; Mrs. A. W. Pettigrew, home division; Mrs. E. L. Heston, parent training; Mrs. Paul Womser, temperance; Mrs. Joseph Tillie, missionary; Emma Ford, religious education; Rev. T. C. Anderson and

Butler Hennon, young people's division.

The churches of the district taking part in the convention were Wampum Presbyterian, Moravia Presbyterian, Clinton Methodist, Wampum Methodist, West Pittsburgh Methodist, Newport Methodist, Cheverton First Christian and Cheverton First Baptist.

The 1934 convention will be held in the Moravia Presbyterian church.

Plan To Replace Private Water Line

Council met today in the city building and sanctioned an excavation by the New Castle Water Company in Court street east of Scott. The company will lay 200 feet of two inch line to replace a private line. The section where the excavation is to be made is unpaved.

Stork Is Winner In September Race

The Stork won an easy decision over the Old Man with a Scythe in September, according to figures furnished by A. Clyde Shofst, Registrar of Vital Statistics. During the month 54 people died, while 102 were born, almost a two to one proportion.

This proportion is much higher than it has been averaging for the past while back, which may be an additional indication of what the NRA is doing. The motto of the NRA being "we do our part."

Hickory Heights P. T. A. Meeting

Plans Are Made For Adding A Library To The School For Use Of The Pupils

The Parent-Teacher Association of the Hickory Heights school had its October meeting Thursday evening at the school and among the many business projects brought up, the most important was the founding of a library for the school.

The members and friends of the association are asked to contribute any books they may have in their libraries, or new ones, either fiction or reference, for this splendid project, and from time to time the Parent-Teacher association will purchase new books.

The library committee includes Sam McCullough, Cecile Hall, Irma Perrine, Mary Copper and Mrs. H. E. Grant.

Action was taken against radio liquor advertising and the group will ask the senators and congressmen to make it impossible to have liquor advertising over the radio.

Arrangements were made for a supper in the near future and the committee named to further these plans were Mrs. R. R. Maxwell, Mrs. Mike Gierling, Donald Sharp, Irma Perrine, Cecil Hall, Mr. and Mrs. Loy Patton, Mr. and Mrs. Fred Fisher, Mr. and Mrs. A. W. Mercer, Mr. and Mrs. H. F. Robinson and Mr. and Mrs. W. V. Wagner.

Loy Patton was in charge of the program and he introduced Ralph Watson, who gave a clever reading, "You Never Can Tell" and Sam McCullough who gave a demonstration of the effect of alcohol on the membranes, after which the speaker, Attorney Charles Davis, was introduced and he gave a splendid address on "The Effects of Alcohol on Child Welfare."

November 9 the Association will meet again.

May Add Wing To Lincoln School

School Board May Use Federal Funds To Add Wing To Local High School

TO HOLD SPECIAL MEET FOR PURPOSE

ELLWOOD CITY, Oct. 13.—Lincoln High School in Ellwood City may be sprouting a new wing in the very near future according to a general opinion of the local Board of Education at its regular meeting last night.

Architect Robert Eckles, designer of the present high school was present last night and showed blue prints and gave a plan that interested the board.

No additional room is needed at present since the Central School is in use. But when this is taken over by the city, more room will be needed. Director J. W. Wayne with figures pointed out that the school district would be further ahead if they would add the new wing. The annual rent, maintenance and repairs of the Central School run to a nice sum. Over a period of years the district would be ahead by building and taking advantage of the government's offer of standing 30 per cent of the cost. Supt. Vaughn R. DeLong pointed out that no additional room would be needed for at least four years if the Central Building is still used.

The plan which appealed most to the board was where the East hall in the Lincoln School is continued towards the Hartman school, and then turns towards the athletic field and extends towards the present fence. The wing would include 15 class rooms and a room for athletic teams. Also the building of a concrete stadium will form a nice court yard where the present parking grounds are. An additional small gym could be built for the Junior High school if necessary. Architect Eckles estimated at \$60,000 to the school district since 30 per cent will be paid by the federal government. The board decided to hold a special meeting next Thursday evening to consider and discuss the matter further.

Party Honors

Shirley Fox

ELLWOOD CITY, Oct. 13.—In honor of the occasion of the fifth birthday anniversary of Shirley Fox, her mother, Mrs. Carl Fox, pleasantly entertained a circle of her little friends and playmates at a party at her home at Elport Thursday afternoon.

Games and stunts of various kinds kept the little folks occupied and when all the games had been played the guests were seated and served a dainty repast by the hostess. A feature of the refreshment period was a prettily decorated birthday cake.

Sharing the event were Betty Wiltrout, Leona Miller, Ruth Campbell, Betty Lee Fox, Jackie Burgan, Bernice Wiltrout, Geraldine Wiltrout, June Campbell, Dorothy Wiltrout, Billy Joe Rutler, Charles Fox, Dale White, "Sonny" Rough and the honor guest, who received a number of lovely gifts in honor of the occasion.

Hallowe'en Party By Willing Workers

ELLWOOD CITY, Oct. 13.—A fine Hallowe'en party was held by the Willing Workers of the First Christian church last night at the home of Mrs. Milnes in Frisco with 15 present. Those present were attired in clever costumes which was the feature of the evening.

Following a short business meeting a period of fun was enjoyed. There were a result prizes were won by Mrs. Grace Howell, Mrs. Lulu Hines and Mrs. Blanche McDanel. At the close of the evening a luncheon was served by the hostess with the assistance of Mrs. Hines.

Odd Fellows Meet Here Last Night

ELLWOOD CITY, Oct. 13.—Odd Fellows of this city assembled in their rooms on Lawrence avenue last night for their regular meeting. A business meeting was held at which it was decided to make next Thursday night "Donation Day" for the Orphan's Home at Pittsburgh. A delightful social time followed.

FUNERAL SERVICES

ELLWOOD CITY, Oct. 13.—Funeral services for John D. Leonsano, whose death occurred very suddenly, Wednesday morning following a brief illness, were held this morning at 10 o'clock from the B. V. M. Italian Catholic church on Fourth street. Rev. Fr. Vincent Galliano conducted the rites, which were largely attended by bereaved associates. Interment was made in the Locust Grove cemetery.

Auxiliary Play Pleases Audience Here On Thursday

Clever Portrayals Given By Big Cast In Play At Lincoln Auditorium

ELLWOOD CITY, Oct. 13.—An appreciative audience was amused and delightfully entertained at the presentation of the Legion Auxiliary play in the Lincoln Auditorium last night. The cast included 125 prominent local people who joked, danced and sang for the entertainment of those present.

The play "Henry's Wedding" featured three ultra-modern marriages. They were Tom Jones playing the part of Uncle Henry and Mrs. John Strohecker taking the part of Samantha Green; also Harold Burns as Jack and Miss Marie McDevitt as Mary; and Mrs. Oscar Dahl as Susan Christopher and Paul Cartwright as Lawyer Brown.

The plot of the play was woven around Uncle Henry who if he got married before a certain day would inherit \$100,000. If not his nephew, Jack would collect. Through the whole play Jack and his friends attempt to keep Uncle Henry from marrying. Various humorous and serious situations arise out of this. In the end everything turns out fine for Samantha Green is a millionaire and promises to give Jack his money as soon as he was married. This turned out to be this age's first triple wedding.

Other characters in the main cast were Chester Dicks as Ted; Davey Jones as Harris; Irma Irwin as Marie; Ruth Haines as Virginia; Esther James as Eliza; John Aggas as Rastus; Norman Pack as O'Flaherty; Earl Meyer as Mugs; Paul Turner as second gangster; Harry Winter as Brother Jones; Mrs. Paul Grannis as Sister Sadie; and Mrs. Rose Babel as Sister Maudie. The play is to be reproduced again this evening, at 8:15.

The remainder of the cast for the play was as follows:

Sheriff Permitted To Pay Money In Hands Into Court

In the case of Belle S. Johnston against Fannie Wainstein, executor, Sheriff Frank Johnston presented a petition Thursday asking leave to pay into court \$1,091.50 remaining from the proceeds of a sale of property in Ellwood City to David Silverblatt for \$3500. An accounting was made for \$2,408.50, which had been paid out by the sheriff for costs, taxes and other obligations.

There are also nine other claims remaining on the record of undetermined claims. Judge James A. Chambers directed that the money be paid to the prothonotary until an adjustment of the remaining claims is made.

Class Holds Fine Hallowe'en Party

ELLWOOD CITY, Oct. 13.—Loyal Woman's Class of the First Christian church held an enjoyable Hallowe'en party last night at the home of Mrs. C. B. McBride with 54 present. All were attired in various costumes.

A general social time with games, contests and stunts was the feature of the evening. At a later hour a luncheon was served by the hostess with the assistance of Mrs. Homer Harshman, Mrs. Newton, Mrs. Roy Cable, and Mrs. Harry Price. Miss Mary Ellen Schrock and Mrs. Clifford Richards aided in the serving. The class then adjourned to meet again on the first Tuesday in November at the home of Mrs. Roy Cable in Frisco.

Mrs. Steve Peck Entertains Club

ELLWOOD CITY, Oct. 13.—Mrs. Steve Peck entertained the members of the T. N. T. Club Thursday afternoon at her home on Pershing street. Mrs. J. Jay Dunn, Sr., Mrs. Louise Fisher, Mrs. J. H. Stoughton, Mrs. Chip Frishkorn and Mrs. Martin Reiner were special guests.

Bridge at three tables occupied the attention of those present for the greater part of the evening. The prizes at the close were won by Mrs. C. R. O'Neil and Mrs. Charles Adams. Mrs. Dunn and Mrs. Frishkorn received the guest favors.

An added feature was the serving of a luncheon by the hostess, Mrs. Chas. Stiner will entertain the club in two weeks.

C. E. SOCIAL

ELLWOOD CITY, Oct. 13.—Members of the Christian Endeavor society of the Hickory Knell Church of God were entertained in a hospitable manner last evening when they gathered at the home of Edward McKenna on the Zellenople road for the regular monthly social gathering.

There were 53 members and friends present to participate in the various activities of the evening which included games and music as the popular diversions. Tasty refreshments were served by Ethel Slade, Phyllis Jean Yahn, Mildred Gallaher, Heleine Clarke, Mrs. Frank Dunbar, Mrs. Rose Crans and the hostess.

The next meeting will be held on Thursday evening, November 9.

Boosters Club Is Organized Here

J. Lloyd Steckman And Fred Robuck Elected Temporary Chairman And Secretary

PRELIMINARY PLANS DISCUSSED AT MEET

ELLWOOD CITY, Oct. 13.—A definite step towards organizing an active body to boost and support High School athletics in Ellwood City was taken last night in the Lincoln High School when representatives of the high school, local Alumni, outlying districts, and local citizenry met.

Upon unanimous approval of those present J. Lloyd Steckman, instigator of the move was elected as temporary chairman. Fred Robuck was chosen as temporary secretary.

Mr. Steckman opened the meeting by outlining the purposes of this organization which is to be known as the Ellwood City Boosters Club. In a sense of the word the club will replace an Alumni association which is lacking here. Membership is open to all and no dues are to be charged. The purpose of the organization is to encourage athletics and athletes in Ellwood City High in every way possible. To boost the team in victory or defeat. In general to awaken a fighting spirit not only in the high school teams, but student body and public as well.

Talks on enlarging the organization were given by Mr. Steckman, Spurgeon Elder, And Bior, Ed. Vogt, Milton Luxenberg, and Fred Robuck. Each of the representatives are to work in their own groups and assemble a big gathering for the next meeting which will be announced through the papers soon.

ELLWOOD PERSONALS

Miss Ethel Slade of the Zellenople road is spending a week as the guest of Miss Ruth Bright of near New Castle.

Mrs. H. W. Allen and Mr. and Mrs. C. E. Allen and daughter Doris of Mt. Jackson have concluded a visit at the home of Mr. and Mrs. E. J. St. Clair of Portersville road.

Misses Claire Mickle and Miss Josephine Hartzell of this city have returned home after spending a week visiting at the Century of Progress Exposition in Chicago.

Kraus Verdict For \$6000 Is Returned

Wayne Township Loses Suit For Damages On Account Of Hole In Road

The jury in the case of Emma Kraus and Russell Kraus against Wayne township, which was tried before Judge R. L. Hildebrand in county court, returned a verdict in favor of the plaintiffs, awarding Mrs. Kraus \$3500 and Mr. Kraus \$2500. This was the second trial of the case. In the previous trial the verdict was in favor of the plaintiffs for \$3500. The action was brought to recover damages for injuries sustained by Mrs. Kraus when she fell in a hole in a street on the outskirts of Ellwood City. It was claimed that the supervisors did not have the hole properly protected and were therefore negligent. Mrs. Kraus was seriously injured and will probably be a cripple for life as a result of the accident.

Home Coming Day At Wurttemberg Methodist Church

ELLWOOD CITY, Oct. 13.—Members of the Wurttemberg M. E. church will hold a home-coming day to which invitations have been extended to all former ministers and friends of the church.

The principal address of the morning will be delivered by Rev. Clarence C. Fisher, pastor of the Waynesburg M. E. church. Rev. Fisher is a son of Mrs. Adda Fisher of the Pittsburgh Circle and was a former member of the congregation.

Rev. G. L. C. Richardson, a minister of the congregation a quarter century ago, will address the congregation in the afternoon. Greetings will be extended from the local churches. Special vocal selections will be contributed by Mrs. A. M. Doak and Miss Marjorie Doak, as well as by the choir.

P. K. Club Holds Meeting Thursday

ELLWOOD CITY, Oct. 13.—Members of the P. K. Club assembled at the home of Mrs. Thomas Douds on Pittsburgh Circle yesterday afternoon for its regular meeting.

The hours were whiled away in a general social time with games and contests at the close of which Mrs. W. D. Porter and Mrs. Charles Carlson received the high score awards. Mrs. Porter rendered a number of solos on this occasion.

At an appointed hour the hostess served a delicious luncheon much to the approval of those present. Mrs. Clyde Hill will entertain the club in two weeks.

Ellwood Set For Greenville High

Benedict May To Take The Longest Trek Of Season Tomorrow Afternoon

LOCALS ANTICIPATE STUBBORN BATTLE

ELLWOOD CITY, Oct. 13.—Coach "Gandy" Benedict's gridders of Ellwood City high have concluded a well planned program of training for their invasion of Greenville tomorrow afternoon where they will meet Coach Cecil Morgan's Penn high football team.

A new life and attitude of the local grid squad has been evident this week in the workouts. It has added to their playing ability 50 per cent. From now on the Ellwoodians will be a team to be reckoned with.

The Tubers have trained diligently this week. They are well aware of the power of Greenville high. Last year the two schools battled to a 6-6 tie. The locals had the game won by Callen, Greenville half-back and Mercer county sprint champion, intercepted a pass in the last few minutes of play and raced 60 yards to deadlock the score.

With practically a veteran team back on the field Coach Morgan's boys have been a continual thorn in the side to many aspiring football elevens in this district so far this season. The team is especially strong defensively. Some notable goal line stands have been made. Coach Morgan has started a radical shake-up in his lineup in an effort to find some offensive strength. His best material will be available for the Ellwood City game. If possible, Greenville high is determined to break this Ellwood jinx which they have been unable to conquer in the past four meetings. Playing on their home field may be the incentive they need.

The Ellwoodians came through with a few minor injuries in their game with Beaver Falls last week and will have their strongest lineup available tomorrow.

The team has been bolstered with the return of Tony Scopellite substitute fullback, for training Tuesday, after being laid up with illness for

Conference Held In Local Church

ELLWOOD CITY, Oct. 13.—The Beaver Baptist Church school and Young People's Association met in the Providence Baptist church of North Sewickley last night for its regular session. There were about 100 representatives in attendance from Beaver Valley, New Castle and Ellwood City.

Rev. Carl Jones of Zion delivered the principal address of the evening. William Hammond of New Castle was also a speaker on this occasion. Special musical numbers were provided by the various churches.

The two banners for attendance were won by the New Brighton Church of which Blaine Thomas is the head. This was considered one of the most successful conferences of the year.

Mrs. John Young Hostess To Group

ELLWOOD CITY, Oct. 13.—Mrs. John Young was hostess to Missionary Group No. 2 of the First Baptist Church last night at her home on Glenn avenue. Mrs. Enoch Hazen was a special guest at the time. Following a devotional period a business meeting was held at which routine matters were transacted.

An interesting social time with chat, games, and contests was then in order. A luncheon was served by the hostess as a closing event of the evening. The next meeting of the group will be held on Nov. 16 at the home of Mrs. Lafa Faurie on Second street.

Jones-Humphrey Wedding Thursday

ELLWOOD CITY, Oct. 13.—Thursday, Oct. 12, was the date chosen by Miss Ethel Jones, daughter of Mrs. Grant Jones, to become the bride of John Humphrey, son of Mr.

and Mrs. Sherman Humphrey, all of near Portersville. The ceremony was performed at 2:30 at the home of Rev. G. H. Cheseman, pastor of the Portersville Presbyterian church.

The bride was charmingly attired in a stylish gown of Spanish red crepe, with matching accessories, and she wore a pretty shoulder corsage of autumn flowers. The couple was unattended.

Following the ceremony the bride's sister, Mrs. Edwin Morgan, of Knox Plan, entertained at a reception and wedding supper. At six o'clock the guests were invited into the dining room, where they were served an elaborate wedding supper at cleverly appointed tables. The hostess was assisted in serving by Mrs. Clara Davies of Knox. Novel place cards marked places for Mr. and Mrs. John Humphrey, Mr. and Mrs. Sherman Humphrey, Mr. and Mrs. Edwin Morgan, Mrs. Grant Jones and son Richard.

Dispensing with a wedding trip, Mr. and Mrs. Humphrey will be at home to their friends at the home of the former's parents near Portersville.

W. M. Society At Boots Home

ELLWOOD CITY, Oct. 13.—Mrs. Edward Boggs proved to be a pleasing hostess Wednesday when she opened her home on the Zellenople road to members of the Women's Missionary Society of the Camp Run U. P. church, who gathered for the regular meeting. Twenty-two members were present to participate in the various events.

Quilting and sewing were in order throughout the day, and at noon the guests partook of a tempting tureen luncheon served at prettily appointed tables.

Home missions was the topic for discussion and it was presented by Mrs. Herbert Sturgeon as leader. Mrs. Wilbur Steffler presided at the business meeting and plans were made to hold a masquerade and apron party at the home of Miss Bertha Sturgeon of near Fombell on Friday, Oct. 20.

Sunday, Oct. 22, will be observed as the annual thank offering day, and Miss Evelyn McFarland, a missionary from India, will be the principal speaker.

Mrs. Charles Robinson, of Ogden, Utah, Mrs. Edwin Hazen and Mrs. R. G. Steffler of North Sewickley were dinner guests today at the home of Miss Ida Gillespie of Wampum.

Welsh Lodge Will Have Meeting At Emmanuel Church

Star Of Wales To Meet Saturday Night—Welsh Of City Know New Swansea Mayor

(By WILLIAM A. JOHNS) Brython
A meeting of the members of Star of Wales Lodge will be held Saturday evening at the Emmanuel church school room. It will commence at 7:30 o'clock sharp. At that time the president, Joseph Pugh and the vice president, L. Phillips, will call the meeting to order. Sick and financial committee reports will be given.

The Welsh people of New Castle are very proud to receive the glad tidings from Swansea, South Wales, that the old friend Alderman Edward Harris, a Morriston boy, has been elected the mayor of Swansea for the year 1934. Mr. Harris and a good many of the local Welsh people attended the same every-day school, Martin Street School, and the Baptist Sabbath school of Morriston. He is the son of the late Deacon Thomas Harris and a self-made man.

I am very sorry that the debate held at the class meeting of William J. Davies at his home last Saturday evening was omitted in the report published. The question in debate was the burning question of the day, the National Recovery Act. Debators were two leading Welshmen of the city, Evan Hopkins, of Sheridan avenue, and Thomas Grey, of Cunningham avenue.

Llewellyn Thomas, of South Mercer street, is back home after a very pleasant visit for six weeks at Wilkes-Barre, Scranton and Taylor. He made the last place his headquarters, staying at the home of his sister, Mrs. Phillip Williams.

The members of the Emmanuel Baptist church enjoyed all day preaching last Sunday, when Rev. Emrys Thomas, of Gomer, Ohio, the

former pastor, occupied the pulpit in the morning and Rev. William Hammond, from the First Baptist church, and a fellow student, spoke in the evening. Mrs. Richard T. Morris rendered a beautiful solo and the singing of the congregation was full of inspiration.

Rev. and Mrs. Emrys Thomas of Gomer, O., have returned home after a stay in this city. Rev. Thomas, who preached at the Emmanuel church Sunday, so pleased the large crowd that they consider him one of the leading preachers of the United States today.

Harlansburg Road

Mrs. Lance Dean and daughters, Irene and Adda Marie, are spending a few days with Mrs. Dean's parents, Mr. and Mrs. Moon, of Grove City.

Mrs. Jennie Walton spent Sunday with her brother, Mr. and Mrs. George McCracken, of Jacksonville, Mr. McCracken, who is ill, is slightly improved.

Ralph McCracken, who was operated on for appendicitis Saturday evening at the Jameson Memorial hospital, is improving as well as can be expected.

The new Pinchot road which is being laid between the New Castle and Butler roads, is nearing completion. The gravel is now being hauled and will be spread within the next few days.

Miss Marjorie Walton entertained the members of the Junior Christian Endeavor of Mt. Hermon church at her home Thursday evening. The hours were spent in music and games, and at a seasonal hour a dainty collation was served by the hostess, assisted by her mother and Mrs. Frank McElwain. There were 30 guests present.

STORAGE HOLDINGS OF FISHING PRODUCTS

(International News Service)
WASHINGTON, D. C.—Cold storage holdings of fishery products in the United States on August 15 were 13 per cent less than a year ago and 30 per cent under the five year average, according to the Commerce Department's Bureau of Fisheries. Holdings on August 15 amounted to 44,949,693 pounds compared with 51,581,355 pounds on August 15, 1932 and the five year average of 63,816,000 pounds.

"Will you make me a suit and an overcoat on credit?"
"Yes, but you must give good security."
"I am quite willing. I will take the suit and leave the overcoat as security on it."

SURPRISED
"I was very upset, Mary, to see the postman kissing you just now."
"Lord, mam, I didn't know you were of a jealous nature."

As Freed Boy Greeted Pal

Twelve-year-old Johnny Cahalan of Malden, Mass., released from charges of slaying his father, held a happy reunion with his best friend, "Pom." The boy killed his father, Michael Cahalan, with the shovel the father used in beating to death his wife, Johnny's mother. (Central Press)

Sale Of Beer To Be Before Voters Of 18 Districts

Many Lawrence County Voters To Ballot On License For Beer

Eighteen districts in Lawrence county will vote on local option at the coming election according to announcement by County Commissioners Clerk, W. A. Eakin, this morning. Mr. Eakin is now preparing copy for the ballots.

The question at issue is whether or not retail beverage licenses will be granted in the districts which have asked to be allowed to vote on the matter.

The largest district to vote is the city of New Castle.

The boroughs which will vote on the question are: Ellwood City, Enon and New Wilmington.

Townships to vote are Big Beaver, Hickory, Little Beaver, Mahoning, Neshannock, North Beaver, Perry, Plaingrove, Pulaski, Scott, Slippery

Rock, Washington, Wayne and Wilmington.

The ballots will be so prepared that the electors can vote "Yes" or "No."

In districts which vote "No" retail licenses cannot be issued. This, however, will not prevent wholesalers going into the districts to deliver beer which has been ordered in wet districts.

NEWLY FOUND CLOVER PUZZLES BOTANISTS

(International News Service)
WASHINGTON—Smithsonian Institution botanists confessed themselves baffled by discovery of a giant clover which heretofore had escaped the attention of collectors.

Found by J. V. Thompson, Seattle collector on a sagebrush slope in the state of Washington, it was sent to the Smithsonian for identification. The main stem is thick and two feet long, with heads of flowers two inches in diameter and a leaf stem eight inches long bearing seven leaves nearly 10 inches long.

It may be the last of conspicuous new plants to be discovered in the United States, Smithsonian botanists said.

A copper wash boiler that had become so green on the inside that its owner could not use it, was made serviceable again with turpentine.

Will Ease Terms For Builders Of Fireproof Homes

Government Will Extend Loans And Lessen Interest On Fireproof Structures

To cities and other agencies planning large low cost housing projects, where slum clearance is involved, the Federal government says "Build your homes so that they cannot burn—and the period of payment will be extended to 35 years."

Supplementing the original provision of thirty years amortization for fireproof work as against twenty-five for non-fireproof, announcement is now made of a thirty-five year amortization period for fireproof housing developments, which are to be erected on property now occupied by slums. Where slum clearance, is not involved, the original provisions maintain. Similarly, replacement of slums with non-fireproof buildings obtains no loan advantage.

Robert D. Kohn, Director of Housing under the Federal public works

administration, has announced that combined interest and amortization rates on slum cleared, fireproof buildings will be 5.51 per cent, beginning two years after the loan is granted, and extending over thirty-five years. Fireproof construction, where slum clearance is not needed, is given a 6 per cent combined rate and an amortization period of thirty years. Ordinary brick wall and wooden floor buildings must be amortized within twenty-five years at a combined rate of 6.56 per cent per year.

ORDERS ALIMONY PAID TO HUSBAND

(International News Service)
OMAHA, Neb.—Mrs. Eleanor Balkus, 43, must pay her 50-year-old divorced husband \$4,000 alimony at the rate of \$25 per month. Judge Rhodes decreed in divorce court here.

Balkus testified that since they were married nearly a score of years ago, both he and Mrs. Balkus have worked at a packing house. While his wages went to upkeep of the home, most of hers went into a savings account in her own name.

Judge Rhodes ruled that Mrs. Balkus' savings were possible only because Balkus shouldered expenses of the home and that the estranged husband was entitled to a portion of the \$11,000 she saved.

High School Band Learns New Drill Parade Formations

Will Be Prepared In The Near Future To Put On Special Exhibitions

Senior High School band of the city is at the present time receiving special training in drill formations, which can be given while on dress parade and playing at the high school games. Members are making rapid progress in learning these drills and should be able to surprise the football fans of the city and

elsewhere with some of their maneuvers in the near future. They are being instructed in this special work by Dr. T. R. Lewis, who is here on a visit with his parents, Mr. and Mrs. Jack Lewis of East North street. Dr. Lewis will be remembered as a former member of the New Castle High School band and also as captain of the Ohio State University band, while attending that institution.

INDIAN ART IS SHOWN IN DISPLAY

(International News Service)
DENVER—Denver will soon have the only true American Indian art display in the world, according to plans being worked out by Frederic H. Douglas, curator of Indian art for the Denver Art museum. A large room in the new City and County building has been set aside for the exhibit. More than 2,000 specimens will be on display.

Chinese Aviatrix Asks Students To Work For Masses

(International News Service)
SHANGHAI, Oct. 13.—"Go to the northwest and work for the welfare of the masses."
"The natural resources of the northwest are like a paradise but the misery of the people is like a hell."
These slogans were given the students of Shanghai University by China's aviatrix, Miss Peng Hsiling. The students have formed a Frontier Study Club devoted to borderland problems and they have an exhibit along those lines.
"I have travelled thousands of miles and I am greatly impressed by the importance of the northwestern provinces and the necessity for us to go there and help develop the places. What the Americans could do in the western part of their country, we can do in the northwest. Our educated people, both men and women, must be willing to go there, not to exploit the local people, but to work for their welfare," said Miss Peng.

Ice Cream Makers Are Not Hard Hit

Depression Has Little Effect On Business In Pennsylvania And New York

By ARTHUR C. WIMMER
Special Washington Correspondent
New Castle News
WASHINGTON, D. C., Oct. 13.—To judge from an agriculture department survey, the depression has not stopped residents of the Keystone state from indulging in ice cream.
Last year, a total of 21,473,000 gallons of ice cream was manufactured in Pennsylvania, the department found. This represented almost one-seventh of the 154,604,000 gallons manufactured in the country as a whole. New York was the only state leading Pennsylvania in the production of the frozen dessert.
Production of ice cream amounted to 9,356,000 gallons in Ohio and 1,204,000 gallons in West Virginia.

PAINTING OF NUDE RULED NON-PORTRAIT

(International News Service)
PARIS, Oct. 13.—The painting of a nude cannot be classified as a portrait, according to a decision handed down in the first chamber of the Paris courts recently.
Madame Henry Ottoman, widow of the painter, was awarded two paintings by her husband which were claimed by the model who posed for them.
The latter, through her well-known lawyer, pleaded that the portraits of a living woman could not be disposed of without her consent. This argument was ruled out when evidence was submitted that the model had never protested when copies of "La Femme au Collier" and "La Femme au Miroir," the two pictures in question, had not only been made, but sold.

PIONEER INDIAN FIGHTER REACHES 102

(International News Service)
FARMINGTON, N. M., Oct. 13.—Time rests lightly on the still erect shoulders of C. S. Whitson, pioneer Indian fighter.
He will be 102 years old Sept. 21, but he still plows, harrows, irrigates, harvests and looks after the cows and horses on his ranch on the LaPlata river, not far from here.
He has wrangled horses and punched cows in every state in the west.
He drinks, smokes, chews and swears and doesn't care who knows it.

Public Moneys Almost Through

(International News Service)
WASHINGTON, Oct. 13.—Public works funds will be virtually exhausted by the first of the year, estimates of projects pending today indicated.
Allocations for federal projects are nearly completed, while non-federal programs call for expenditures of \$1,750,000,000, and will use up the balance of the \$3,300,000,000 fund, present outlays showed.
Provisions for slum-clearance by federally assisted municipal housing projects in various centers are included in the estimates. Huge expenditures for navy construction Army housing at posts to be retained, and for job giving enterprises throughout the country are being announced almost daily.

WOULD-BE 'COPPER' SOLVES A PROBLEM

(International News Service)
PUEBLO, Colo., Oct. 13.—At an examination for would-be policemen, held here recently, this question was asked:
"What would you do if a call for volunteers was received?"
One hopeful replied:
"I would step aside and let them pass."

Three Confess Killing Officer Near Scotia, N. Y.

Unemployed Pennsylvania
Coal Miners Held For
Slaying Of Rail-
road Policeman

TRIO CAPTURED AT GUN POINT

(International News Service)
SCOTIA, N. Y., Oct. 13.—Three unemployed Pennsylvania coal miners have confessed to the murder of Patrolman William E. Deal of the New York Central railroad police, who was shot down Wednesday night in the local railroad yards, the authorities announced today.

The men under arrest gave the names of Charles Stuller, 34; his brother, Clifford Stuller, 26; and Clifford Gilbert, 26, their brother-in-law, all of St. Benedict, Pa.

The trio were captured at gun point by state police and deputy sheriffs in the woods near Clifton Park, a few miles to the north of this city.

Confessions Made.
Captain Joseph P. Boyle of the New York Central police, after grilling the three men for several hours, said:

"They confessed to the murder of Patrolman Deal."

Captain Boyle said the gun used to kill Patrolman Deal was stolen by the trio earlier in the week at Mechanicville from Lieut. Ernest Abbott of the Boston and Maine police. Abbott was held up, robbed of his gun, \$12 and his shield by three men and then tied to a tree.

According to Captain Boyle, Patrolman Deal was shot through the head when he attempted to arrest the three men for train riding.

Clifford Stuller, a six footer, weighing more than 200 pounds, attempted to fight his way to freedom when surrounded by state police and deputy sheriffs but he was quickly subdued.

Police said Clifford had served prison terms in Oklahoma and other western states. All three men were carrying revolvers, the authorities said.

Food Ingathering Entirely Separate From Chest Drive

A report has been circulating through the city that by contributing to the Community Chest, citizens will not be asked to contribute anything to the ingathering of food which is to be sponsored later this month by the Jameson Memorial Hospital Aide Society.

This is a false report, since the Food Donation Days of the Aide Society in the interest of the Jameson Memorial hospital patients have nothing to do whatever with the Community Chest.

Car Is Damaged In Head On Crash Near Portersville

Attempting to avoid a head-on collision near Portersville Thursday Florence Thompson of Kittanning headed her car off the highway and crashed into a telephone pole with resultant damage of \$250.

According to Patrolman D. A. Snyder, the Thompson car was traveling west on the highway. A car driven by James P. Eastman, New York City proceeding eastward, attempted to pass another vehicle near the crest of a hill.

The driver of the Thompson machine, coming over the brow of the hill and seeing a collision loomed, swung her car off the road and into a telephone pole. No one was injured.

Eastman was arrested for violation of the motor code arraigned before Justice of the Peace William C. Lardin of Portersville and posted bond for his appearance at a hearing at a later date.

Old Pony Express Pioneer Wants To Try Airplane Ride

(International News Service)
DES MOINES, Ia.—There are only two known survivors of the Pony Express and one of these, now in his eighties, wants to visit the old frontier trail again, but this time by airplane.

He is James N. Thompson, one of the colorful riders who carried the mail from St. Joseph, Mo., to San Francisco in seven to eleven days in the 60's. What was a seven to eleven day trip for the Pony Express is now an eleven hour flight with new multi-motored passenger-mail transports. Instead of \$10 postage on a Pony Express letter, air mail, with twenty times the speed, is eight cents a letter.

Thompson recalled that the fastest trip ever made by the Pony Express between St. Joseph, Mo., and San Francisco was seven days and eighteen hours, when it carried President Lincoln's first message to Congress. Another fast run was with the news that Fort Sumter had been fired on.

At the present rate, all of that government money will be loaned to home owners in time to keep a roof over the great-grandchildren.

Dr. Green Calls Meeting Monday

Emergency Education Relief Council To Have
Session Here

FEDERAL MONEY MAY BE SECURED

Monday, October 16, has been set as the day for the meeting of the Emergency Education Relief Council of Lawrence county. The committee consists of Dr. C. C. Green, chairman; R. L. Meermann, Miss Beulah Norris, Superintendent John C. Syling and Superintendent Vaughn De Long of Ellwood City. The meeting will be for the purpose of formulating plans for action and this must be done at once if Lawrence county is to receive her share of federal money now available.

If there is a demand, courses may be given in English for foreigners, Americanization, rehabilitation for unemployed persons, vocational work, shorthand, typewriting, home making, music, art, health, and academic subjects.

Instructors will be employed on a monthly basis and will work 22 hours per week. Before receiving employment they must be approved as being eligible for relief by the County Relief Board. The actual appointment will be made by the Education Relief Council and finally approved by the Department of Public Instruction. The usual certification for teachers is not required, but applicants must be qualified for the service which they desire to give.

Applications should be made at the office of Dr. C. C. Green, superintendent of schools.

CLAIMS LARGE SUM OF MONEY TAKEN

Police authorities received a call at 5:40 o'clock this morning to the Coney Island Restaurant on West Washington street, where George Dufas of the restaurant, informed the officers answering that some time during the night some unknown person had stolen \$200 which he had in his pocketbook at his room No. 4 North Beaver street. He claimed that the money was taken from his room, while he was in the bathroom.

"Carmen Ohio," official song of Ohio State university, is the private lullaby of Annetta Lu Cornell, above, of Buffalo, N. Y. Miss Cornell's father, Fred Cornell, composed the song while he was a student at Ohio State in 1906. She is attending the university as a freshman this year.

Reform Leaders Make Visit Here

Dr. R. H. Martin, president of the National Reform Association and Donald Martin of Beaver are in New Castle today, meeting with various people interested in the amendments which will appear on the ballot in November concerning the repeal of the 18th amendment, the sale of beer and Sunday sports.

Dr. Martin made no statement as to the possibilities of a campaign here but said that he was merely touring the western counties to ascertain the sentiment.

The mind is the master over every kind of fortune: itself acts in both ways, being the cause of its own happiness and misery.—Seneca.

Man Injured In Motor Accident On Croton Ave.

Two Accidents On Streets Of
The City Are Reported
To Police

Angelo Yargo, 56, of 118 Dewey avenue, sustained a severe cut on the back of his head Thursday evening, when the car of his son, Henry Yargo ran into the rear of the car of Charles Schetrom of 523 North Cascade street, as the latter was in the act of parking his machine on Croton avenue near Vine street. He was cut when the windshield of his son's car was broken. He was removed to the Jameson Memorial hospital, where it was found that his injuries were apparently not of a serious character. Both machines were enroute north on Croton avenue and a truck coming in the opposite direction caused Yargo to run into the rear of the Schetrom car in avoiding the truck.

Mike Prescario, of 304 Montgomery avenue, reported on Thursday that he had his machine parked in front of his home, when a car bearing Pennsylvania license 863927 going south on Montgomery avenue ran into the rear of his car, causing considerable damage. The driver of the car kept on going and a neighbor of Mr. Prescario gave chase and secured the license number. The machine was found to be listed in the name of Helen Bolter of 1312 Sixth avenue, Beaver Falls.

ZOO MURDER BRINGS GUARDS IN DENVER

DENVER, Colorado, Sept. 2.—There's been a murder at the Zoo. Shiek, the city park male ostrich died suddenly, apparently from poison.

Shiek was discovered in a condition of coma in the big pen where he lorded it over his mates, Sudan and Sahara. Knowing an ostrich's inability to say no to any gastronomic tidbit, ranging from a sweetmeat to a gold watch, park officials at first resorted to mother's favorite remedy for all ills—a big dose of castor oil.

But Shiek died. An autopsy indicated he had been poisoned.

Now park officials are hunting the murderer of the big bird and guarding Sudan and Sahara from a similar fate.

Printers To Attend Tri-State Conference

Seven members of New Castle Local No. 270, International Typographical Union, will leave this city Saturday afternoon for Washington, Pa., to attend the semi-annual meeting of the Tri-State Conference of Typographical Unions of Eastern Ohio, Western Pennsylvania and West Virginia, which will be held in that city Saturday evening and Sunday.

W. G. Marshall, James Fleckenstein and Howard S. Hammond will attend as delegates representing Local No. 270, while Messrs. H. E. Hickling, Percy White, Leonard

Jamison, Dan Bailey will also attend the sessions of the affair. In addition to the regular business sessions, there will be social functions for the entertainment of the visiting printers.

HOUSE MOVING IS INVOLVED IN CASE

The case of James Postich against Julia Boyt is on trial at court before Judge James A. Chambers today. The case grows out of the removal of a house in Bessemer and the amount involved is \$260. This is the last case on the list for this week and all jurors not on it have been excused.

Jack Gerson Has Birthday Party

Celebrating Anniversary At His Store On North Mercer Street

STARTED BUSINESS ELEVEN YEARS AGO

Friday, or the 13th, or Friday the 13th may sound like a jinx to you, but they suit Jack Gerson. Both of them. So much so that he's holding a birthday party on that day, which is today, for his business.

Jack came to the United States in 1913, landing here on a Friday. He was born on a Friday and he always likes to start an enterprise on the 13th of the month. Thirteen is his lucky number and a black cat is his idea of a pet.

Eleven years ago he started his jewelry business in a small way in the Penn theatre building. He had one employ and not much stock except a few diamonds and watches. Today he has 11 employees and 14 departments and nobody has yet heard him complain about business.

This month is his anniversary month and Mr. Gerson is hoping that everybody who ever bought from him will come in and renew acquaintances. Birthdays are for recollections and the recollections of his 11 years business ownership in New Castle are filled with pleasant memories.

Friday the 13th unlucky? Not for Jack Gerson. It's his one obsession for he believes both of them are lucky.

Eleven years ago it was a small

business. Today it is out of the infant stage and every year sees an increase. Gerson today stands for fair dealing and high quality merchandise. And reversing the usual procedure on its 11th birthday, Jack Gerson wants to wish "happy birthday" to all his customers and to those people he hopes will be.

Auto Dealers To Meet Monday

Reports Will Be Made On P. A. A. Convention At Washington This Week

Members of the Lawrence County Auto Dealers Association, will receive reports on the convention of the Pennsylvania Automobile Association, which was held in Washington, Pa., on Monday and Tuesday, at a meeting arranged for next Monday evening in The Castleton.

The convention was attended by a large number of members from Lawrence County, and among the valuable bits of information received, was that of the Retail Auto Dealers Code, signed by the President on October 3.

Interesting addresses were made by Hon. Harold G. Hoffman, Commissioner of Motor Vehicles from New Jersey, Hon. Charles A. Eaton, member of Congress from New Jersey, Leon F. Bannigan, auto trade journal editor; Edward Payton, market analyst of Cleveland; Leon D. Metzger, secretary of revenue for Pennsylvania, and F. W. A. Vesper, president of the National Automobile Dealers Association.

Hallowe'en Event Will Be Farewell

Sons Of Union Veterans Are Planning Interesting Fair For October 30

Hallowe'en party being sponsored by the Sons of Union Veterans and in which the Daughters of Union Veterans and Auxiliary to Oscar L. Jackson Camp No. 249, Sons of Union Veterans are also participating, will be an event of October 30. It will be held in the Sons of Union Veterans Hall.

George S. Partington, chairman of the committee in charge of the affair, announces that it will be in the nature of a farewell to the retiring commander, Herman Gilbert and that some two hundred and fifty people will be present. Members of the Sons and Daughters of Union Veterans and Auxiliaries of Sharon, Youngstown and Ellwood City will be special guests of the occasion.

Chairman Partington and his committee are planning a program of real fun for the occasion and the members of the several organizations are looking forward to a real interesting time.

Three Applications For Divorce Filed

Adultery, Desertion And Indignities Are Given As Grounds By Libellants

Three applications for divorce were filed at the prothonotary's office on Thursday.

Edward E. Cross asks a divorce from his wife, Mildred Cross, on the grounds of adultery. They were married in November, 1927 and lived together until August, 1933.

Eleanor Perotta claims that her husband, George Perotta, has deserted her. They were married in May 1926 and lived together until July of the same year.

McKelvey Porter asks to be separated from his wife, Sarah Porter, on the grounds of indignities. They were married in February, 1920 and lived together until, May, 1932.

Milk bottles that have contained sour milk and are hard to clean may be scoured with a wad of steel wool. Grasp bottle by the neck and shake vigorously with whirling motion. It works best with no water in the bottle, says a housewife.

Surgeon At Insane Hospital In New York State Makes Startling Discovery

(International News Service) CENTRAL ISLIP, N. Y., Oct. 13.—Women, inmates at Central Islip State Hospital for the insane agreed today, can get along on just about any conceivable diet.

And they based their conclusion on assurance from hospital authorities that Dr. E. Raymond Milderth had removed from the stomach of a woman inmate—

Forty-eight teaspoons, neatly nested.

A needle.

Two bolts with nuts attached.

A large screw.

One pencil.

A piece of glass.

Neither Dr. Milderth nor hospital attaches would reveal the identity of the woman but said she was middle-aged. Had been a patient at the hospital for about a year and that she was recovering rapidly from the operation.

The miscellany was discovered when the patient complained of a stomach ache and x-ray photographs were taken to determine seat of the inconvenience.

Claims Few Kind Words Would Help Prevent Suicides

(International News Service) JOHNSTOWN, Pa., Oct. 13.—Suicides, which are on the increase in Pennsylvania, are stupid and a blunder in the opinion of Dr. Emlyn Jones, head of the department of vital statistics in the state department of health.

Dr. Jones, a former physician here, deplored the man or woman who "throws away the whole for the part" by committing suicide.

"A good dinner, a few hours' sleep, the offer of a job, a few sympathetic words, often will change a man's psychological climate and raise him from the depths of despair to the heights of hope," he asserted.

Peculiar and interesting things are disclosed by statistics of the department about persons who take their own life. Contrary to the belief of many, suicides generally reach a peak in June, when days are longer, and strike a low mark in December, Dr. Jones said.

BET SEED MAY BE GROWN HERE

(International News Service) ST. GEORGE, Utah, Oct. 13.—Experiments designed to permit the production of sugar beet seed on a large scale in the United States, to produce an estimated savings of \$250,000 annually to beet sugar growers, are underway here. At present seed for the crop—one of the largest in the Rocky mountain area—is imported from France, Germany, Russia, and Belgium because the growing season in this country is so short that the plants do not get to seed.

To dye or tint bedspreads fill washing machine with hot water. Add dissolved dye, set machine in motion for about two minutes, then drop in your spreads, drapes or sheets and keep machine going for 15 minutes. No streaks, runs or errors.

Radiators Enjoy Excellent Dinner

Ralph W. Bolsinger And C. C. Cover Extend Dinner To Mushball Champs

TWENTY-THREE ATTEND DINNER

Twenty-three were present last evening at the home of C. C. Cover, 926 Adams street, to enjoy the excellent dinner served to the members of the National Radiator championship mushball team, and to several invited guests. The Radiators recently annexed their title by defeating the East Side Merchants in a playoff series. Ralph W. Bolsinger, chief clerk at the Radiator Works was "making good his promise" last night. Bolsinger promised the Radiator players a feed if they won the title, and the boys who slug the mushball around didn't lose much time in reminding the jovial Bolsinger of his promise. C. C. Cover, business manager of the team, donated the use of his home, and Mrs. C. C. Cover and several aides prepared and served the delicious baked pork chop dinner. It was a dinner done to the turn and thoroughly enjoyed by the mushball boys.

Bolsinger Toastmaster

The eating end of the program out of the way and with praises ringing for Mrs. Cover and her capable assistants for the outlay of food tastily prepared, Ralph W. Bolsinger assumed the role of toastmaster.

Bolsinger in a short talk reviewed the season and congratulated the Radiators on their championship. Bolsinger promised the team new uniforms and equipment for next season. Bolsinger revealed that the Radiators played 56 games during the summer months, and won 45 games and lost 11 which is a fine record, and one that the Rads should be proud of. In the East Side League the Rads won 23 and

lost 4. In outside games the Rads won 22 and lost 7. Bolsinger is a dyed-in-the-soul fan and didn't miss very many games this past season. He is a big booster for the East Side mushball league.

Riley Gives Talk

Charles "Bugs" Walther, president of the league was called upon for a short talk in which he outlined plans for next season and gave his congratulations to the Radiators for winning the championship.

Earl Riley, the umpire-in-chief of the series games and one of the league umpires was called upon and gave a fine talk in which he recalled many incidents of the past season and particularly squeeze plays that occurred during the series. Riley's talk was through the eyes of an umpire and the boys thoroughly enjoyed his comments on the various plays that cropped up. Riley also congratulated the Rads on their title.

Campbell "Oaks" Ross, captain of the team was called upon for a few brief remarks, and thanked the team for their co-operation and support during the past season. Frank Green, former manager of the team was called on for a short talk. Mike Fornataro was the final speaker of the evening, for the players. C. C. Cover made a fine speech in which he outlined what had occurred during the past season, and thanked the team for co-operating.

A short business meeting took place following the speeches with C. C. Cover being re-elected as business manager of the team for the 1934 season, and Howard Reed, re-elected as manager of the team. Reed was unable to be present last night. H. W. Tressler was named as scorekeeper for the 1934 season.

Twenty-Three Present

The invited guests present included, Edward L. Brundage, superintendent of the National Radiator Works, Ralph W. Bolsinger, chief clerk, H. W. Tressler, C. K. Saylor and P. T. Monath, foreman of the plant, Earl Riley, umpire, and Charles "Bugs" Walther, president of the East Side Mushball league.

The players present were, Campbell "Oaks" Ross, captain, Nickie Ross, Tommy Hensley, Frank Green, Stanley Klaska, Victor Sottori, Dominick Scarnati, James Henley, Joe Mazzeri, Mike "Peachy" Fornataro, William Lutz, James Mauri, Titus Monath, Tony "Donno" Ambrozia, Edward Hillton.

OVER THREE HUNDRED ENROLLED THIS YEAR IN GIRL RESERVE CLUBS

Three hundred fifty four girls of New Castle and Union township are Girl Reserves according to the enrollment report made by Miss Marian Wilson, Girl Reserve Secretary of the Y. W. C. A. Thursday at a meeting of the Girl Reserve Committee.

This is a large enrollment in consideration of the fact that three clubs were dropped this year, the two high schools and the Sciota Street Club. The clubs in operation this year are those of the New Castle and Union senior high schools and of the George Washington and Benjamin Franklin junior high schools, numbering four in all.

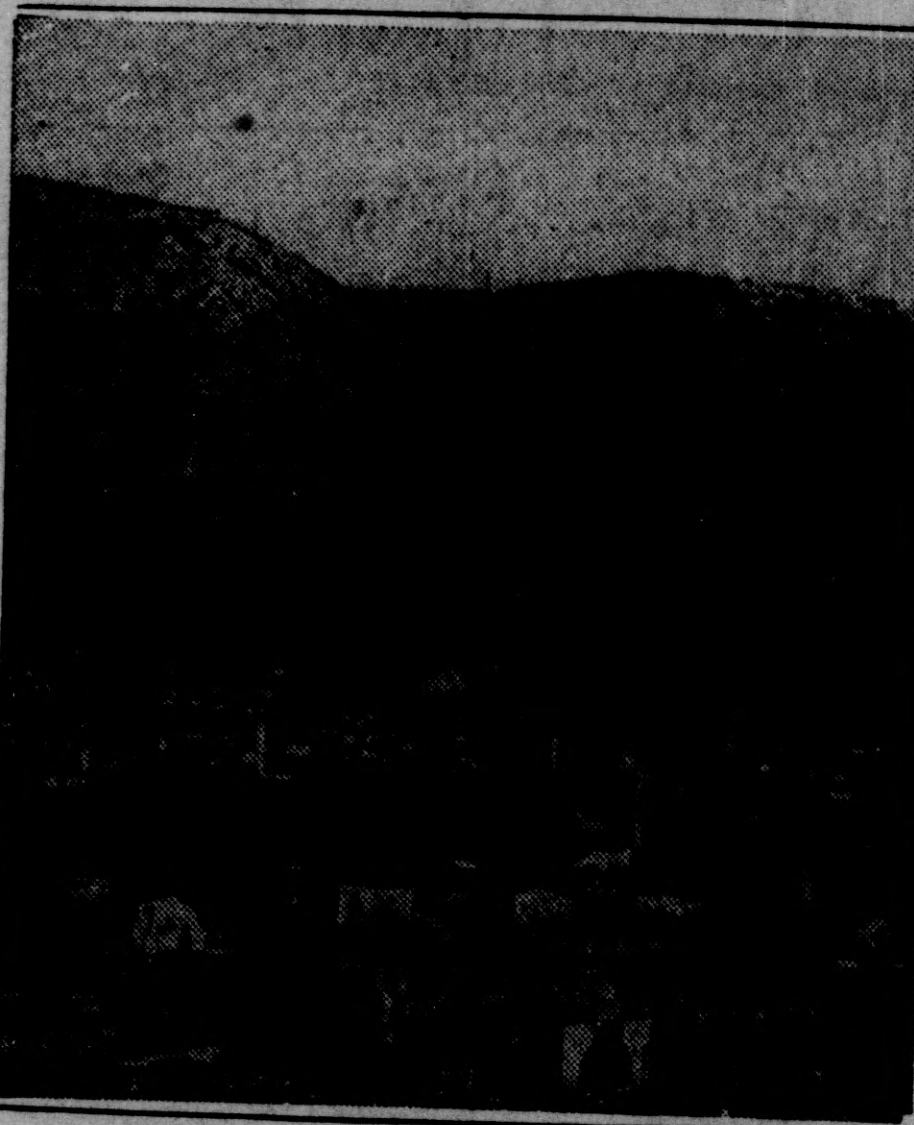

The total attendance at meetings so far adds up to 934.

Paul In Antioch

"Brass Tacks" On The Sunday School Lesson

The Golden Text

Romans 1:16—"For I am not ashamed of the gospel: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek."

(The international uniform lesson on the above topic for Oct. 15 is Acts 11:19-30, 12:25, the Golden Text being Rom. 1:16, "For I am not ashamed of the gospel: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.")

By DR. ALVIN E. BELL

As God in nature has provided for the spread of certain seeds like the dandelion by quipping the seed with wings and scattering it with the wind, so he provided that the good seed of the gospel of Christ should be driven from Jerusalem by the winds of persecution that arose

above the martyrdom of Stephen and scattered over the whole earth.

A New Church at Antioch

Despite Christ's great commission to go into all the world with the gospel nearly ten years passed before any definite program was launched to evangelize others of the great cities of the world. And when certain adventurous spirits did carry it as far as Antioch in Phoenicia, "scattered abroad upon the tribulation that arose about Stephen" still they limited their ministry "speaking the word to none save only to Jews". But at last the outward urge was spreading the word. And Antioch, one of the three leading cities of the Roman empire with its half million souls, begins to displace Jerusalem

as the center of Christ's world program.

A New Appeal to Gentiles

Far more significant is the fact that in this outward swing to Antioch the gospel found a new field of appeal to gentile souls, and in place of limiting its appeal "only to Jews" there were here those venturesome enough to "speak unto the Greeks also, preaching the Lord Jesus. And the hand of the Lord was with them; and a great number that believed turned unto the Lord". Here, too, these gentiles were received as gentiles directly into church fellowship on the sole grounds of faith in Christ which was a more liberal position than that taken at Jerusalem. All Antioch required was that "with purpose of heart they would cleave unto the Lord", a requirement beyond which none of us need go to this day.

A New Church Leader

But the greatest "find" of all, and one for which Antioch deserves eternal praise, was made when Barnabas "went forth to Tarsus to seek for Saul; and when he had found him, he brought him unto Antioch, and for a whole year they were gathered together with the church and taught much people." At last, after eight years since his conversion, Paul is being "found" and put to work in his appointed sphere of missionary to the gentiles. In the next 20 years he will make Antioch the center of a great world mission program.

A New Name at Antioch

Furthermore, "the people of the Way" were given a new name here at Antioch, for "the disciples were called Christians first in Antioch." Though the name was given in con-

tempt and derision as a nickname, Christ in the lives of those bearing the name has glorified the name and made countless millions proud to wear the name Antioch coined for us. So Christ glorifies all he touches even a cross.

A New Charity at Antioch

Antioch also gave that generation a new charity in the poor relief those gentle Christians raised in their poverty and sent by the hands of Paul and Barnabas to their Jewish brethren suffering from famine in Judaea: "And the disciples, every man according to his ability, determined to send relief unto the brethren that dwelt in Judaea, which also they did." This same determination born of and nurtured in Christian charity will solve our poor relief problems in 1933 as in that year 44 or 45.

STOLEN STAIRCASE

ISOLATES TENANTS

(International News Service) PARIS—Not even staircases are safe from the twentieth century Parisian burglar.

Tenants living on the third floor of a French apartment house got up to go to work one morning and found they couldn't go. There was no staircase. It had been removed in the night by burglars.

Telephones and windows had been left intact, however, and while some shouted across the street to their incredulous neighbors others telephoned the skeptical police, who eventually called out the fire department.

Third floor dwellers will have to use ladders for the next two weeks while new stairs are being installed.

Plan Dinner On Armistice Day

Ex-Service Men To Have Usual Dinner Event On Evening Of Nov. 11

LIEUT. GEN. SHANNON WILL BE GUEST

Almost every year since the World War, there has been a group of ex-service men here get together for a dinner on Armistice evening. There never was any organization, they just got together on Armistice evening, had dinner and reminisced for a few hours.

Nobody ever knew who the toastmaster was until the fellows got together and then he was appointed by the men themselves. Sometime before midnight the dinner would break up and the party was over for a year.

This year the dinner will have as its special guest, Lieutenant Governor Edward C. Shannon, commanding general of the 28th Division, and a brigadier-general during the World War. General Shannon is the speaker of the Armistice Day program here and will eat dinner with the men, many of whom serv-

ed with him on the Vesle River, in the Argonne or up at St. Mihiel.

Few officers came out of the war with the respect and admiration of his men as did General Shannon. He was affectionately known as "One Yard" Shannon by his men. He will speak in Pittsburgh in the morning but will leave there early in the afternoon. A committee will go to Pittsburgh and bring him to New Castle. He must leave New Castle that night in order to be in Easton the next day.

COVERED WAGON

HIGHWAY WIPED OUT BY DESERT

(International News Service)

TUCSON, Ariz.—A highway over which trekked one of the greatest migrations in American history has been reclaimed by the desert.

Shortly after the discovery of gold in California during 1849, thousands of covered wagons and mule teams plunging madly forward in a race to get to the boom mining camps, cut through the Arizona desert east of Yuma a broad road. The pioneers named it Camino Del Diablo.

Eldred D. Wilson, geologist of the Arizona Bureau of Mines, reported that the desert sands have obliterated most of the old thoroughfare and that mesquite forests have closed the road to traffic. He has ended a six-months' mining survey along the historic route.

Although more than 2,000 persons are estimated to have perished of thirst or been killed by the Indians, he found the markers of only some fifty graves yet standing. The rest had been blown away by high winds or beaten into the ground by storms.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salt, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. The bloats up your stomach. You have a thick, bad taste in your mouth. Your head aches and you feel down on your feet. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Beware of substitutes. 25c at drug stores.

New Castle - Washington To Play Tonight

New Castle Will Try For Fifth Victory

UNION - GROVE CITY PLAY SATURDAY

Taggart Field To Be Scene Of Game, Kickoff At 2:30 P.M.

New Castle Hi School Football Team Will Play Second Class AA Game

Washington High Team Is Light And Fast; Locals Crippled On End Posts

Rivals on the field of football for many years, New Castle high school and Washington high school gridiron machines will go into action tonight at Taggart Stadium at 8 o'clock under the flood lights. This is the fifth game on the schedule for the "Red Hurricane". It is a Class AA conference game, the second one of the year for the Bridenbaughmen. The big gates will swing open at 7 o'clock. In event of good weather a fine crowd will probably jam its way into the magnificent football arena to watch the school-boy teams in this all important contest.

Several Injuries
The New Castle team is somewhat beset by injuries, and unfortunately two of them are endmen. The other is Ruffles Johns, ambitious young reserve guard. The two ends in mention are Charles Fleming and Mike Perrett. Fleming injured his shoulder in the Charleroi game and Perrett injured his ankle in training Wednesday afternoon. It is not likely that any of these three boys will see action against Washington tonight.

Coach Bridenbaugh feels confident that the "Red Hurricane" is going to play one of the best games of the season tonight. The New Castle team is due to click, and it will probably be against this Class AA team from Washington, Pa. Joe Howley will be back in there at center and will be steady influence on the team.

New Castle defeated Washington High last year by a good score, but it is not expected that the margin of victory tonight will be very big either way. This Washington team is due for a good game, and it may be New Castle's misfortune to hit an inspired Little President combination. If this is true, Captain Walter "Powerhouse" Kominic and his sturdy New Castle mates will have their hands full if they expect to win.

Regular Lineup
Bridenbaugh will start Ridley at quarter and Lane and Nickum at the halves, with Kominic at fullback. Lane and Nickum have been tearing off nice gains in practice this week against a Washington defense and seem destined to make life miserable for the invaders. The line will have its fullest strength with the Shellogg brothers, Fred and Alex, holding forth at the tackle jobs, Sorto and Raskowski holding down the guard berths and Howley at center. The Grovers have a very formidable front line.

Coach Billy Cox will counter with McGlumphy a veteran at the quarterback post, and with Gilles and Campbell a pair of newcomers at the halfbacks posts, and Barr, also a veteran, at fullback. The Washington backfield is rated as a quite tricky combination.

Washington is one of the several stumbling blocks in the path of New Castle toward further honors in Western Pennsylvania competition. A victory for the red and black clad warriors will give them courage to face the stiffer opposition that will come starting next week with Turtle Creek at Turtle Creek.

Expect Big Crowd
Faculty Manager Ralph H. Gardner has sent several hundred tickets to Washington and it is expected that the Little Presidents will be well supported when they arrive here to battle Pa. New's boys. The western bleachers will be reserved in part to take care of the Washington fans. The New Castle people as usual will display courteous treatment and sportsmanship to the visitors.

The weatherman is the only undecided factor of the game. Everybody else can be depended upon to go their part.

HARBOR TEAM LOSES
Notre Dame Juniors won their second game of the season when they beat Harbor on the latter's field 14 to 0. Coppel and Natale made the touchdowns. Saturday Notre Dame Juniors play the Jefferson Robins on the B & O field.

SEEK GRID GAMES
Pearson A. C. football team will meet at 10 a. m. Saturday. Games are wanted and managers should see Captain G. Rich, Manager Cagnetti or Coaches R. Russo or J. DePore.

Lineups For Tonight

Coach Philip H. Bridenbaugh of New Castle high school and Coach William Cox of Washington high today announced their probable lineups for the football game at Taggart stadium. The game will start at 8 o'clock. The doors will open at 7 o'clock.

The New Castle team will be arrayed in red jerseys and white numerals. Washington high players will wear blue jerseys with white numerals.

Edinboro And Grove City To Play Saturday

Coach Bill Amos Drills Grovers For Tough Game With State Teachers College

CRIMSON TEAM SEEKS VICTORY

(Special To The News)
GROVE CITY, Oct. 13—Grove City's second football game, with Edinboro here Saturday marks the first meeting of these schools in the history of Crim football. That it will be a difficult assignment was Coach Bill Amos' verdict after watching the Teachers' defeat Allegheny College two weeks ago and he has been bearing down hard this week.

Neither team will have an advantage in weight, but Amos predicts that the Teachers will have the edge on offense. The Grovers were somewhat ragged in this respect in the opener, and the work-outs this week have been confined to blocking and dummy scrimmage to iron out the errors in this department.

Two Are Injured
Wednesday and Thursday, Amos kept his squad at work until dark. No scrimmage has been held since Tuesday, due to minor injuries to the regulars. Johns, an end, suffered a twisted knee, and Bill Bach center, has two injured fingers which has kept him out of active work. He is expected to be in condition to start Saturday.

Coach Amos will stand pat on the line-up which opened against Morris Harvey, although some doubt exists as to the starting fullback. The ends will be Tomko and Solch; the tackles, Caulfield and Plance; guards, Beres and Binder; center, Bach; quarterback, Deems; halfbacks, Gross and Orris, and the fullback, Verne Smith. It is probable that Art Alexander will be used either at halfback or fullback for most of the game.

Maybe people would try harder if the government said: "Not another nickel. Save yourself or starve."

Questions asked by Eddie Collins, former Notre Dame star, answered by Frank Carideo, Missouri coach.

Questions

1—How may a kick-off be made and from what point?
2—On a free kick following a fair catch how shall the ball be put in play?
3—What is ruling if kicking team recovers its own blocked kick which has not crossed the line of scrimmage?
4—O team punts out of bounds on two-yard line. Whose ball and where?
5—High punt strikes tackle of O team who is down the field standing in front of D team quarterback, about to make the catch. Ruling?
NOTE: O means Offensive, D means Defensive.

Answers
1—By a drop-kick or place-kick from any point on the 40 yard line (or behind it) of the team making the kick-off.
2—By a punt, drop-kick or place-kick from the mark of the catch or a point directly back of the mark.
3—Ball is dead at point of recovery and counts a down.
4—D team's ball on two-yard line, 10 yards from side line.
5—O team penalized 15 yards and team D allowed fair catch.

Slippery Rock To Play Thiel

Teachers Have Proven Gridiron Surprise Package This Season

Slippery Rock Teachers' College, one of the gridiron surprise packages of the season, will oppose Thiel college at Slippery Rock, Saturday. The Teachers have defeated Westminster, Waynesburg and Holbrook, already this season. Johnny Uram, left halfback for the Rockets played a sensational game last Saturday.

Morini Hopes To "Kayo" Ray

"If Atkinson Is Wild I'll Knock Him Out," He Says

HAROLD RICHARDSON TO BATTLE BACKO

"If Ray Atkinson is as wild Monday night as he was when he beat Steve Nicklich at Ellwood City, I'll knock him out," Custy Morini, soporific puncher, said today when he discussed his coming fight with the Ellwood Tiger boy.

"I rooted vigorously for Ray to beat Steve because I did not want him to lose and be shunted from being my opponent. He fought a wonderful fight for the first two rounds but was as wild as an untamed mustang in the third round. "Had I been in that ring I would have worked beneath his arms and finished him with a blow to the solar plexus or a right uppercut to the jaw. If anyone believes Ray cannot be kayoed they are suffering a misconception," Morini said.

Morini and Atkinson were matched to fight here after negotiations by out-of-town matchmakers had failed. They have been bitter rivals for two years and a considerable amount of soothing syrup was required before the match was consummated.

And now that they have been mated it might be said both are in tip top condition. Atkinson has lost only nine battles out of 40 and his two recent victories were over Tony Adamo and Nicklich.

Tiger Boy Improves.
Atkinson has improved as his vicious fight with Nicklich shows. On two previous occasions the Ellwood boy, who owns the Golden Glove title of the Pittsburgh district had outboxed Atkinson. Wednesday Ray carried the bout.

He dropped Nicklich with solid smashes to the head. Once his right hand lifted Steve off his feet and he dropped like a rock. That was in the second round. Atkinson tried desperate although wildly to score a knockout in the third.

Atkinson has been training at Ellport. Morini has been getting in shape at the Jefferson Athletic club here. He has been training with Billy Del Prinz and Young De Motto and they claim he is punching harder than ever.

Another peschierino scrap on the A. I. H. might be seen when Nickie Devlin of Springdale opposes

WESTMINSTER FOOTBALL MAN IN HOSPITAL

(Special To The News)
NEW WILMINGTON, Oct. 13—One Westminster College football player who will not see action against Geneva at Beaver Falls tonight is Walter Young, of Freeport, N. Y.

Young entered college as a halfback, and played in the backfield his first two years. Due to lack of line material, he was shifted to the guard post this year. It is thought that he will be out of the hospital early next week, but will be unable to report for drills for a week or two afterward.

Golf Leaguers Hold Gathering

At the close of their semi-monthly meeting at the Municipal Course, last evening, members of the New Castle Golf and Country Club paid a visit of inspection to the plant of the Union Brewing Company, where they were shown the intricate process of manufacturing beer.

At the close of the visit, lunch was served to them by officials of the plant, who proved genial hosts, and short addresses were made by Adolph Green, E. O. Haun, S. H. Kirkbride, of Pittsburgh; and J. C. Blank, federal inspector.

The next meeting at the Municipal Course, is in charge of the Bell Telephone Company team, who are now arranging a program of entertainment for this event.

Titans To Play Geneva Tonight

Teams To Battle Under Flood Lights On Geneva Gridiron

(Special To The News)
NEW WILMINGTON, Pa., Oct. 13—Friday the 13th, holds no terrors for Geneva and Westminster football squads as the two teams meet tonight at Beaver Falls in a Tri-State Conference contest. While the Covenanters are favored to win by a comfortable margin, the fact that it is Friday the 13th may, if you are superstitious, make some difference.

Coach John Lawther and his squad will leave for the game at 6 o'clock. The college band, directed by Professor D. O. Cameron will leave at 6:15. It is possible that a bus-load or two of students will also go to the game.

The Titan squad will include: Bill Staples, Butler; Ray Sweney, Youngstown, O.; Cromwell Ketterer, Rochester, N. Y.; Minnie, Butler; Robert Arrowsmith, Erie; Anthony Krilatz, Butler; Alfred Andrews, Freeport, N. Y.; James Bloker, Sandusky, O.; Peter Leyschok, Farrell; Harold Barry, New Castle; Mauno Siljanen, Pittsburgh.

Irving Franklin, Freeport, N. Y.; Jack Laraway, Erie; George Hollander, Freeport, N. Y.; Henry Hunske, Baldwin, N. Y.; Merrill Brew, East McKeesport, Robt. Scarborough, McDonald, O.; Richard Reniers, Ben Avon; David Kennedy, Wheaton, Ill.; Richard Watt, Struthers, O.; Richard LoBuonon, Butler; James Easley, Sharon and Edwin Austen, Etna.

Student managers Nelson Greer, George Mitchell and Don McCammon will also make the trip together with Jack Martin, assistant coach Jack Hulme, trainer; George Anderson, equipment manager and R. X. Graham assistant athletic director.

Taggart Field To Be Scene Of Game, Kickoff At 2:30 P.M.

Union high school football team and Grove City high school football team will play at Taggart Stadium, this city, Saturday afternoon. The kickoff is scheduled for 2:30 o'clock. The gates will be opened at one o'clock. This is the biggest home game on the 1933 program for Union high.

Saturday's game will mark the third meeting between the teams and the series stands even. The teams are about evenly matched. A great battle is looked for. In event of good weather a fine crowd will no doubt file into the spacious stadium to watch the gridiron performance. Coach Dave Boyd gave his Union team a final polishing this afternoon. Coach Joe Hartman has given his Grove City high squad their final instructions.

Morrison To Start.
Coach Boyd has used Morrison at the left halfback post this week in the practice drills and it is indicated that the blond terror is going to get the starting nod, although Saunders is giving Morrison a hard fight for the post and Ed Tompson a newcomer to Union high has been showing up fine in practice and may get a chance to show his wares.

Union enters the game Saturday with lots of confidence. Coach Boyd has drilled the players hard all week on the forward passing attack and how to break up passes. Wayne White, the sterling Union right end, has been catching passes right and left all week, and looks like a good bet to score against Grove City. Monico and Todd have been throwing the pigskin very accurately.

Two new linemen reported to Boyd, they are Lawrence Pagley and Tony Yakec, and they will probably fit into the Union scheme of things very nicely. Gierlach and Jaskolska will have starting places in the Union lineup. Gierlach plays a tackle and Jaskolska will fill in at guard in place of Mateja.

Best Of Shape.
Union enters the game in the best of shape. The only regular out of the game will be Bosar, and he will be out for the rest of the season.

will have had a splendid time by the time the shades of darkness fall. And just as a reminder, Andy Dodds, the president of the association, reports that there'll be dogs, oodles of 'em, and some of the best in the country as participants in the trials and just to show that some hunters can bag game without guns, an archery exponent will demonstrate how to bring down big game with bow and arrow.

Persons who wish to attend the big meet can enter the grounds free. No charge will be made for the parking of automobiles.

Starting at 10:30 a. m. there will be a field trial for bird dogs, an all age stake. It is open to any pointer or setter and will be judged on shooting dog basis. Next will come the derby stake, open to any pointer or setter wheeled on or after January 1, 1932. These trials will be run on liberated ringnecks and native quail and the judge will be none other than A. Hunter Willis Erie, Pa., a state game commissioner.

There'll be beagle trials, class 1, open to all beagles, 13 inch and under; class 2, all beagles 13 to 15 inch, the dogs to be run in packs of four or more, depending upon the number in the class. There also will be a special free for all stake which is open to any rabbit dog.

The coon dogs will have their trial also and it is open to all coon dogs, to be followed by trapshooting, rifle and pistol matches and a demonstration by Virgil Richard in fancy and quick shooting.

Expect Thousands To Attend Events At Fair Grounds
PROCLIVITIES TO START AT 10:30 A. M.

Saturday will be a happy day for probably thousands of lovers of wild life, the men and boys who understand the feel of a gun, the deep voice of a hound in pursuit of a coon or the bark of a dog when he puts up a rabbit. They're going to gather at the New Castle fair grounds as it is there that the Lawrence County Sportsmen's association will stage its field day.

Yes sir, Mr. Hunter, Rifle Shooter, Trapshooter or Pistol Exponent, there's going to be something doing every minute after the watch hand passes 10:30 a. m. and exponents of all kinds of hunting and shooting

CORNELL-MICHIGAN TEAMS TO TANGLE

By COPELAND C. BURG
International News Service Sports
Writer.

NEW YORK, Oct. 13.—College cheer leaders shriek to the high heavens tomorrow with many football elevens playing their first big game of 1933 and three intersectional battles forming a brilliant background.

In the intersectional fights we like the western eleven in each instance, looking for Stanford to whip Northwestern, Michigan to humble Cornell and Pittsburgh to lower away the Navy.

Pittsburgh is really an eastern eleven this season, for when the Panthers are good they are called eastern and when bad they are cast as western. This fall Pitt has won two games without flinching its air-tight defense and tremendous offensive power and should be able to win tomorrow from the middies without much trouble, even though Annapolis has a better team than usual.

Cornell-Michigan.

Gil Dobie, Cornell coach, in many ways the greatest mentor the game has known, sends his clever, masterfully-drilled team to Ann Arbor against Michigan, the latter practically defense-perfect. Cornell has Ferraro, a great back, and Goldbas, a new Dobie star, to shine in its running and passing attack, but the Wolverines are the same fine team as in 1932.

Out in Chicago, Stanford comes up against Northwestern and here the margin of victory should be slight. Stanford probably is a better team than the purple and should win, but the fact the Californians traveled half way across the continent and are strangers in a strange land won't help them. Stanford has won three games this season, just nipping the tough Uclans of Los Angeles 3 to 0 and beating Santa Clara, the outfit which turned back California, 7 to 0, while Northwestern fell before Iowa, 7 to 0, in a shocking Big Ten upset.

Notre Dame-Indiana.
In another mid-west thriller, Notre Dame will attempt a comeback against Indiana, following its scoreless tie with Kansas. Indiana for the first time in years has a real chance to win this backyard scrap between the Hoosier outfits and will be trying with everything it has, which probably will be just short of enough.

Other probable mid-west winners

BRINGS FAMED NAME TO GRIDIRON.

Pierson Lewis Metoxen

One of the mightiest names in football history—Metoxen—may flame again on the gridirons of the east. Jonas Metoxen, the Carlisle immortal, performed such football feats for the Indian

school that his name is almost legendary now. Joining the University of Pennsylvania freshman squad this season is Pierson Lewis Metoxen, full-blooded Oneida and third cousin of Jonas.

are Illinois over Wisconsin, Minnesota over Purdue, Ohio over Vanderbilt, Nebraska over Iowa State, Chicago over Washington U.

Jumping to the far west, one of the biggest and most colorful crowds of the year should see the all star crew of Howard Jones triumph over Slip Madigan's St. Mary's eleven at Los Angeles. The Oakland team upset U. S. C. in 1930 but they hardly rate to do it this fall. Madigan's men had a two-touchdown lead last week against California, but let the Bears come on in a final rush to snatch it.

Duke-Tennessee.

Two southern squads, Virginia and West Virginia, invade New York City. Fordham is better than West Virginia and Columbia is picked over Yale. Other eastern choices are Virginia over Washington & Lee, Harvard over New Hampshire, Dartmouth over Bates, Colgate over Rutgers, Syracuse over Ohio Wesleyan, Army over Delaware, Penn over P. & M., Georgetown over Manhattan,

N. Y. U. over Lafayette and Princeton over Williams.

The big game in the south puts Wallace Wade's fine Duke squad against Tennessee. We like Tennessee, too, and that's why you may call us pretty much of a sap come Saturday evening.

DRIVER IS HELD ON LIQUOR CHARGE

MERCER, Pa., Oct. 13.—Frank Porter, of New Castle R. D. 3, at a hearing before Judge T. W. McClain, yesterday, pleaded guilty to a charge of driving while intoxicated and is being held for the December term of court.

His arrest occurred near the Bald Hill on the Mercer-Jackson Center road. Charges were brought by officers Thomas and Hinkley.

ELLWOOD TEAM FIGHTS HARD

Ben Franklin junior high school football team kept its slate clean for the season and its goal line uncrossed in the last 15 games, by handing a fighting Ellwood City high reserve team a 12 to 0 defeat at Taggart field Thursday afternoon. Domenick DeCaprio, the sterling Franklin left half, went over the goal line for both of the touchdowns recorded by the Gilasplemen.

The Franklinites got the jump on the visitors in the first few minutes of play when Domenick DeCaprio snaked his way through a broken field and dashed 75 yards for the first touchdown, almost before the teams got their second wind. DeCaprio was aided on this run by Small, Jokinen and Mumford. Merando hit the line for several nice gains during the first period.

In the second period Ellwood blocked a Franklin punt on the 30-yard line. Ellwood advanced the ball to the 5-yard line. Small took a pass from Metz of Ellwood City and ran back 10 yards out of danger. There was no scoring in the second quarter, the teams exchanging the ball several times on punts when they could not make their required yardage.

Play in the third period was about even. Neither team could make much headway. Ellwood City had the ball on the 50-yard line when the third quarter ended.

DeCaprio Is Star.

In the fourth and final period Mumford put the Franklin team in scoring position again with a long kick that travelled about 50 yards, and rolled about 30 yards more to place the ball on the 2-yard line. Ellwood City's attempt to punt was weak and Franklin took the ball on the Ellwood City 20-yard line. Merando faded back and heaved a pass to DeCaprio, who was running wide, and DeCaprio after gathering it in sped over the goal line for the second marker.

The playing of Metz, Dodds, Robuck and Husinec featured the Ellwood City lineup. Metz and Otovino ripped off several nice gains. The line play of Dodds, Kraynack and Vinski stood out quite brilliantly.

The summary:
Ben Franklin 12 Ellwood Res.'s 0

Appalling Loss Of Life In Accidents

(International News Service)

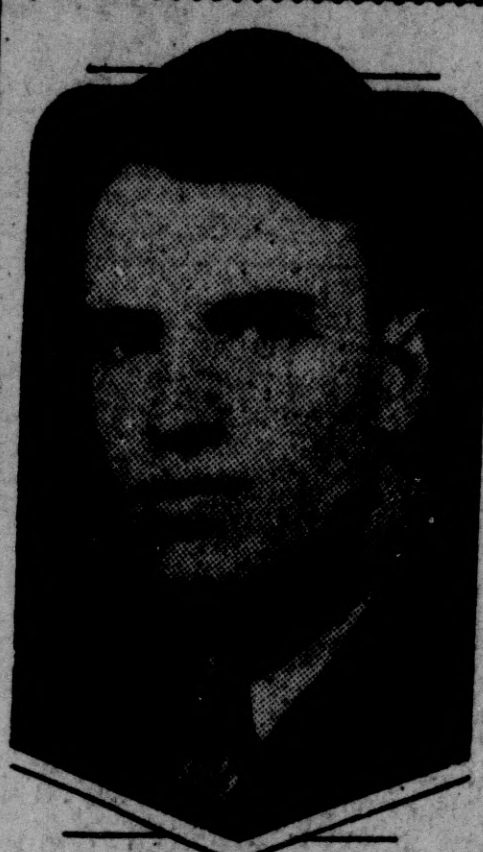

HARRISBURG, Oct. 13.—The toll of 1,001 and the injury of 24,670 persons in automobile accidents in Pennsylvania this year has impelled Gov. Gifford Pinchot to proclaim September a "street and highway safety month" in this state.

Fatalities dropped approximately two per cent as compared with the corresponding period in 1932 but the total number of accidents, 23,897, was 3.9 per cent above that for the first seven months last year. Property damage so far this year has amounted to \$2,628,000.

Governor Pinchot recognized the drop in fatalities but thinks "1,001 lives at the price to pay for carelessness on the road."

September also marks the last month of the state's second compulsory inspection period. This brought an appeal from the chief executive for all motorists to have their machines inspected in compliance with state law.

Campus Leader

ELMER MEIDER

Elmer Meider, Pittsburgh, is the leader of the Westminster college campus, New Wilmington, Pa. Meider, a senior, is president of the student council, president of the senior class and president of Delta Phi Sigma fraternity. Meider played varsity football in his freshman year, but was injured and has not been able to play since. He is an excellent student, and under the administration of Deah Carl E. Rankin, who believes in student government, Meider and his student council direct most all activities of the school.

Washington High Trims Bessemer Reserves 6 To 0

Louden Scores The Winning
Touchdown For Wash-
ington On Pass From
Perrett

BESSEMER BOYS HAVE FINE TEAM

George Washington Junior High School football team played its first major engagement of the year Thursday afternoon at the Washington High field, and defeated a fighting Bessemer High Reserve team 6 to 0.

The Carrollmen scored on a forward pass of 20 yards that was thrown in fine shape by Tony Perrett the sterling Washington halfback and caught by Louden the big fullback who had to run only a few yards for the coveted goal. It was a clever play on the part of the Washington lads, and especially fine headwork by young Ross Bridenbaugh, the stellar quarterback who caught the Bessemer boys napping.

For the first two periods of the game the teams battled back and forth with first one team and then the other losing the ball on downs. Bessemer did manage to get as far as the ten-yard line on one occasion but the Washington line stiffened and held for downs.

Locals Look Good

Perrett, Donegan and Louden did some fine ball carrying for the

Washington team with big Fred Clark and Perkins doing a lot of fine line play, along with Covelli and McCormick. Washington had the ball in scoring position near the end of the game, but did not have time enough to put it over for the second touchdown. The teams were about evenly matched as to weight. Behind the big Bessemer fullback played a fine running game, with Glass and Poushey doing some good ball toting. Shuluga and Bonacci and Panella stood out quite prominently on the Bessemer line. Toward the end of the game Donegan the Washington halfback received an injury and had to be taken out of the game.

The lineups:
Wash.—6. Bessemer Res.—0.
Covelli L. E. Glazia
Clark L. T. Bonacci
Thompson L. G. W. Shuluga
Capitolo C. Stitt Cort.
Leonardo R. G. DeLillo

City Golfers To Tackle Schenley

Arrangements Are Complet-
ed For Return Match
With Pittsburghers

PICK OF GOLFERS TO COMPRISE TEAM

Headed by Municipal Champion W. M. Nunn, the leading golfers from the three courses in the city will journey to Pittsburgh Sunday, where they will meet the players of the Schenley course in a return match.

Indications point to a large delegation accompanying the team, and all are assured of an opportunity to play. M. H. Boschert, chairman of the tournament committee of the Schenley Park Association, assuring that there will be plenty of competition.

In order that there will be transportation for all players, those who expect to go are asked to stop at the Leslie Hotel, corner of Mercer and Washington streets, at 11 o'clock, where those who do not have machines of their own, will assemble. Play will start promptly at 1:30, the Schenley Park officials state.

William G. Fleming, manager of the Municipal course, has selected the team from the Muny links, M. K. Gilliland from Castle Hills, and David Kay, from the Field Club.

Easy Tone In
Stock MarketCommodity Markets Show
Weakness; Sends Some
Stocks Down

By LESLIE GOULD

International News Service Finan-
cial Writer

NEW YORK, Oct. 13.—Weakness on the commodity markets brought a definitely easy tone into the stock markets today sending stocks down from fractions to about 2 points.

Trading, though, was light on the downside.

The metal shares were the outstanding targets for the selling element losing 1 to 2 points. Selling here was apparently due to the lower prices for gold in the London markets and the strength in the dollar following the treasury's refunding announcement.

Railroad shares also turned lower with New York Central, Southern Railway, Chesapeake & Ohio, and Chicago & North Western losing moderately.

Liquor stocks including National Distillers, American Commercial Alcohol, and Commercial Solvents had their early gains of fractions to about a point turned into losses of more than a point.

Utilities were firm in quiet dealings.

In the commodity markets wheat lost nearly 2 cents a bushel and cotton about 50 cents a bale.

Hallowe'en Party
At Wurttemberg

ELLWOOD CITY, Oct. 13.—Among the first and one of the most enjoyable events of the Hallowe'en season took place last evening in the Wurttemberg U. P. church when members of the Harriet Gordon class held a "masquerade" social. Decorations suggestive of the season were effectively used.

A playlet was given by members of the local Orange lodge. Various parts were portrayed by: Dell Buquo as the rabbi, Mrs. O. W. Hooker and Mrs. Skewis as ushers, Grace McKee as the bride, Hazel Daugherty as the groom, Mrs. Anna Gallagher and Mrs. Mildred Lloyd as flower girls, Mrs. Anna Jones as matron of honor, Mrs. Mary Brady and Mrs. Lottie Fye as bridesmaids, Dorothy Cowan and Leatrice Koach as trainbearers and Mary Daugherty as ring bearer. Miss Lavee Hooker contributed a vocal solo and instrumental music was played by Harold Hooker and Dick Tillie throughout the program.

A grand march was then held with many grotesque and eerie costumes making their appearance. Prizes for the best costumes were awarded Mrs. James Cogley, Mrs. Lillian Young and Miss Dorothy McElwain. The success of the affair is due Mrs. Lester Hader of the lunch committee and Miss Lavee Hooker and Mrs. Vaughn Whybrew of the entertainment committee.

W. M. S. AT WEISZ HOME

ELLWOOD CITY, Oct. 13.—With Mrs. Edith Warren, Mrs. Ferd Hazen, Mrs. Charles Kline, all of New Brighton, and Mrs. Brady Wilcox of Knox, as special guests, 13 members of the Women's Missionary society of the Providence Baptist church at North Sewickley gathered at the home of Mrs. Gene Weisz on the New Brighton road yesterday for the regular meeting.

The day was devoted to sewing and quilting on a design of fine handwork. An appetizing luncheon was served at noon. The president, Mrs. Roy McDaniel, presided at the devotional and business periods.

Mrs. James Edgar invited members of the society to meet for the next meeting at her home on the Carlington road on Thursday, November 9.

HARVEST HOME DINNER

ELLWOOD CITY, Oct. 13.—Thursday, October 12, marked the date of the annual harvest home dinner held by the members of the Women's Missionary society at the Wurttemberg U. P. church. There was a majority of the women of the church in attendance.

Subsequent to the serving of a picnic dinner at tables prettily adorned with bouquets of fall flowers a program was enjoyed. Readings were given by Mrs. Charles Kelter and a quartet composed of Mrs.

TAKES OVER COTTON PLANTATION—MAKES IT PAY

Top left, old plantation home; below, workers picking cotton; top right, Mrs. Louis D. Bolton.

An old southern cotton plantation which has been in the family of Mrs. Louis D. Bolton of Detroit and Mansfield, Ga., for over 100 years, was a serious liability, a real "white elephant." By staying on the job daily for the past three years, Mrs. Bolton has turned the liability into an asset. "This has been achieved only by hard work and careful planning," says Mrs. Bolton, whose husband is a Detroit, Mich., business man. "We tried running the farm by long distance management from Detroit, but found it was impracticable, so I returned to Georgia and took personal charge." After plowing under one-third of her crop, Mrs. Bolton grew not less than 100 bales of cotton this year.

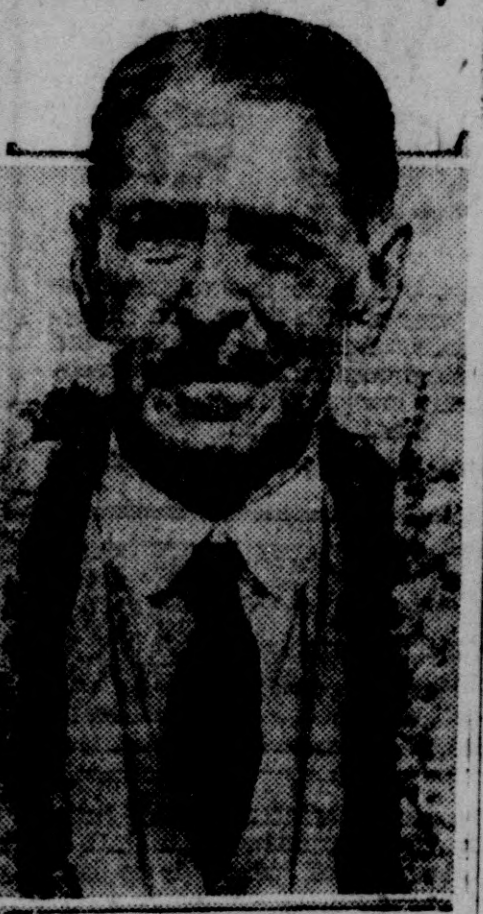

Risking Lives for Science—and Freedom

Gambling with death, with freedom as their reward if they win out, these convicts in the Mississippi State Penitentiary, at Parchman, are aiding in the battle between science and encephalitis—commonly known as "sleeping sickness." In an attempt to determine whether or not the germs of the disease are transmitted by mosquitoes, the convicts allowed themselves to be bitten by insects which previously had bitten monkeys believed infected with encephalitis. At right, Leo Hudgins, one of the convicts, is pictured as he was subjected to the mosquito sting. Nurse Helen Dwyer, of Memphis, Tenn., holds the infected insects in the tube which rests on Hudgins' arm.

Junior Lodge Of Sons Of Italy Is Organized In City

Plans Are Made For The Constitution Of The Organization In November

Preliminary organization of the new Junior Lodge of the Sons of Italy in this city was effected last evening at a meeting held in King Humbert Hall on East Division street when approximately one hundred and fifty young men and women met and effected a temporary organization, pending the constitution of the lodge on the third Sunday of November, which falls on the nineteenth, at a place to be designated later.

Officers were selected at the meeting last night and will be the officers of the organization, when constituted on November 19. The selection of a name for the new organization will be made at a meeting to be held this coming Sunday

afternoon at 4 o'clock in King Humbert Hall.

John DiLorenzo, venerable of Trionfo Italiano Lodge No. 1171, Sons of Italy, presided at the opening of the meeting last night. After a few appropriate remarks, he invited Mrs. C. Santelucia of Pittsburgh, Grand Trustee of the Sons of Italy in Pennsylvania, to assume charge, which she did, and conducted the affairs of the evening for the balance of the time.

An invitation was extended to the Grand Lodge Officers of Ohio, West Va., New Jersey and New York to be present when the new lodge is constituted on November 19. Judge Alessandrini of Philadelphia, an officer of the Grand Lodge of Pennsylvania and members of the Grand Council, as well as all officers of the Grand Lodge of Pennsylvania, have been invited.

A program was presented last evening in connection with the meeting and included a piano number by Miss Mary D'Amato, the vocal selections "Torna a Sorrento", "Sole mio" and others by Mrs. Mabel Mastrangelo; the selection "Il Rimpianto" by Miss Lena Malizia and solo selections by Miss Rose Mary Sica with Miss Angelina Bruno as accompanist.

The officers selected at the meeting last night are as follows: Vener-

able, Rodger Pizone; Assistant Venerable, Elena Di Matteo; Past Venerable, Luisa D'Amato; Orator, Sam Donofrio; Corresponding Secretary, Ida Prioletti; Financial Secretary, Carmela Degiglio; Treasurer, Joe Audia; Trustees, Nick Gesue, Andy Pasquariello, Assunta Cioffi, Filomena Manto, Caterina Miscimari; Master of Ceremonies, Madalena Pizone and Carlo Ambrosi; Guard, Joe Chilli and Carl Di Gennaro.

BABY HOSTAGES FOR MATERNITY BILLS PROBED

(International News Service)
CHICAGO—A sweeping investigation of a practice by local hospitals of holding children as hostage for unpaid bills has been ordered by Judge Joseph B. Davis.

An unemployed father, Stanley Shopkus, called the practice to Judge Davis' attention with a plea that his baby daughter, Elaine, be released from Evangelical hospital, where he said she had been detained since last January.

Shopkus said he paid a \$111 hospital bill for his wife, Bessie, who died following Elaine's birth, but could not pay a \$60 board bill for baby when he called to take her home a month later. The bill is now \$260.

BIBLE DISTRIBUTION GAINS IN DEPRESSION

(International News Service)
BUDAPEST—Depression seems to increase religious sensibility, or at least the circulation of the Bible. According to recent statistics 75,000 copies of the Good Book were circulated last year in Hungary, against only 60,000 in 1929. In

Czechoslovakia over 48,000 were counted, as compared with 42,000 in 1929 and in Austria 35,000 as compared with 27,000 four years ago, when the depression began.

To be sure, a considerable number of the newly issued Bibles were presented free of charge or at greatly reduced prices by the various Bible societies.

HIBERNATING BEARS WILL BE INVESTIGATED

(International News Service)
YELLOWSTONE PARK, Wyo.—To answer the often asked question, "What do Yellowstone bears do in the winter time?" Frank Childs, district ranger at Old Faithful and with the assistance of Ranger Ed O'Donnell has completed elaborate preparations for observations during

the coming winter. Childs hopes to lure a hibernating bear into a 50 gallon barrel which is burying in the ground.

Some of the questions which Childs hopes to solve are: Whether yearling bears nurse or feed in the hibernation period; whether they are soundly asleep all the time or have wakeful moments; whether their respiratory organs function normally, and many other questions

regarding circulation, temperature, heartbeats and general disposition.

ABSENT-MINDED
Dentist: Will you take gas?
Absent-minded Motorist: Yeah, and you'd better look at the oil, too.

Maybe he deserves a pardon because he has a 6-year-old mind, but why allow a 6-year-old to have a gun.
